

## **A STUDENT'S SUCCESS STORY!**

When we achieve a goal, we close a chapter in life so that we can begin a new one! **Congratulations to Ms. Rina**, who entered the program in September 2019 (having already passed her GED Math exam), and since then, have successfully passed two additional sections of her GED exam, *Science and Reasoning through Language Arts*. Ms. Rina successfully passed her RLA exam on November 2, 2019. Her success came by way of consistently meeting expectations, holding herself accountable and being committed to earning her high school credential. Since enrolling in YOURpath's program, she has exceeded the weekly study-hours expectation, putting in nearly 10 hours per week and has demonstrated a sincere commitment towards earning her high school credential! **Ms. Rina, you are definitely making it happen with only one section to conquer and you're done! Again, Congratulations on another successful victory!**

# WEEKLY STUDENT ACHIEVEMENT!

Be your greatest cheerleader and learn to root for yourself when know one else is cheering!  
Congratulations to those who have exceeded or met weekly study-hours and grade expectations. Excellent work on holding yourself accountable! A special acknowledgement again to **Ms. Rina** who invested the highest number of study hours this week, investing nearly 10 hours of study time for the week!

*A little  
progress each  
day adds up  
to big results*
