

“Once you make a decision, the universe conspires to make it happen.”

Congratulations to our [2022 Graduates](#). You made it!

My Time

This is my time to shine,

to live a life that is mine.

This is my time to glow

and let my true feelings show.

This is my time to cry,

to laugh, to grieve, to sigh.

This is my time

and only mine.

I won't let it pass me by

like a fading star in the midnight sky.

This is my time.

A Message to Our Seniors & Testers:

We still have 17 days in 2022. You still have time to make the class of 2022. If you can believe it, then you can achieve it!

Congratulations!

Congratulation, **Mr. Antone**, on earning his high school equivalency diploma! We are exceptionally proud of you! Outstanding work!

Mr. Antone enrolled in YOURpath on 2/26/22. In ten (10) months, he completed his coursework and took and passed all his exams on/near the college-readiness level, scoring perfect scores in science and social studies. Mr. Antone demonstrated a sincere commitment to earning his diploma. He honored his projected test dates and earned his H.S. credential in a reasonable timeframe.

It is a pleasure to witness this outstanding accomplishment. Mr. Antone has invested a lot of work, time, and energy and made enormous sacrifices to achieve his goal. So again, congratulations Mr. Antone, a job very well done!

Ms. Cinthya (ESL), Class of 2022

Ms. Jailane, Class of 2022

2022 Mid-Year Outcome Success Measures

A Summary of Our 2022 Final Outcome Measures

- Three students graduated from our program in 2022, increasing our H.S. equivalency diploma attainment by 20% from 2021. They all graduated at/near the college readiness level in reading and mathematics. In addition, one of the three earned perfect college readiness scores in science and social studies. Also, we have two seniors pending completion by the end of 2022 or the first half of 2023.
- Eighty-six percent (86%) of our Graduates have scored on the College Readiness Level in at least two subject areas, primarily reading, language arts, and mathematics.
- Sixty-eight percent (68%) of our students have officially tested in more than one subject area
- One hundred percent (100%) of our Graduates have enrolled in higher learning (i.e., vocational training or college) or acquired employment at the high school requirement level.
- We have maintained a retention rate of seventy-two percent (72%); and a ninety-five percent (95%) student satisfaction rate among our students.

Help Us Make a Difference. Donate Today!

To support a worthy cause, donate to YOURpath for Adult Learners. We are making a significant impact on adult basic education. We are helping young and older adults improve their literacy and numeracy skills and earn their high school equivalency diplomas through alternative testing. Additionally, we empower our students to believe in themselves as they continue to set and achieve attainable goals in their personal and professional lives. With your support, we can continue impacting adult learners' lives nationwide. Please consider a donation today!
