The Grocery Card Program is one of the primary fundraising efforts that supports the organization and keeps our kids on the hill. It is an amazingly simple program where our generous supporters sell Snow Valley Racing gift cards at a percentage of their face value allowing us to generate revenue at NO cost to our membership!!

Each family is obligated to purchase \$2,500.00 of gift cards from Sobeys through our club. Families can opt out of the program and pay an opt-out fee of \$250.00 due during registration. Members are encouraged to buy extra cards to help support our association.

The goal is to distribute the cards Tuesdays and Thursdays from 6:00pm – 6:45 pm (specifics to follow via email) monthly. As our 2022/23 program commences in the middle of November, snow permitting, cards will be available mid November. Grocery cards will NOT be available for pickup at the office. Acknowledging that \$500/month is a fair chunk of change, efforts will be made to accommodate any families that are unable to make the specified timeframes.
