

# SNOW VALLEY RACING

## BIKE-A-THON

To access our fundraising page, please open the camera app on your phone and hover over the image of the QR code below

Snow Valley Racing is fundraising to help support our club and young athletes for the 2020/2021 season. As a not-for-profit organization, Snow Valley Racing has severely felt the impact of the COVID-19 pandemic and **our goal is to continue making high-quality ski racing financially accessible to all families.**

In order to deliver on this, we must fundraise outside of our organization. Our registration fees cover less than half of the cost of our program – fundraising, sponsorship and other contributions mainly drive our club forward through the season.

On October 17th, our athletes, coaches, and parents will bring on the blood, sweat and tears to participate in our newly resurrected Bike-A-Thon. We hope to earn your support through some hard work on the bike trails, while allowing our young athlete's an opportunity for safe, socially distanced team camaraderie during this challenging time.
