Thank you for helping me!! I was looking for work since October of 2021. I was in Maryland New Direction for 3 weeks and did not get a chance to apply for a job. And then you come and 7 days later I get one. Everything that you had said to us is true... I just wanted to thank you. And the PCC Family.

ADNET

Client

Sedrita Brown was just given a tentative job offer from our client for the Remote Document Reviewer, filling the last position! I had another candidate ready to send, but held off until I got their feedback about Sedrita and I'm glad they liked her too. Thanks so much for sending her over.
