

Lily Grace Catering Restaurant Partners

Our restaurant partners are divided into tiers based upon their price per person. Tier One restaurants are included in our package pricing. Tier Two and Three restaurants are subject to an upgrade fee due to their more expensive menus. Any restaurant you choose is subject to a delivery or travel fee if it is located 20 or more miles from your event venue.

This is not an exclusive list. If you are interested in a particular restaurant not on this list, please ask and we will check into it.
