**2019 Information and Prices**  
*(prices subject to change without notice)*  
Shows and presentations

- 1. Reptiles Tales or Facts?**
- 2. Raptors! Birds of Prey**
- 3. Owls listeners of the night**
- 4. Zoology by Osteology**
- 5. Journaling: Observations of Nature (Art and Science)**
- 6. Falconry past and present**

we might be able to construct a show or presentation for your needs?

Shows or presentations are one hour in length and there are no discounts for shorter times.

Shows or presentations can be outside or inside, least amount of space required 6' x 6'.

If outside shade must be provided and reptiles can not be outside during winter months. Reptiles are limited to availability from Dec to February because of weather.

Electricity maybe needed for microphone or other.

Audience size does not matter and we can present to any age group.

Our van must be close by for the safety of our animals.

If our animals or staff are endanger during a venue we have the right to shut down our show or exhibit.

We can not present or exhibit for free the prices support the animals in our care and the function of this facility.

**New England Reptile & Raptor Exhibits**  
**Massachusetts prices for shows and presentations**  
(prices subject to change without notice)

Bristol, Plymouth and Norfolk counties \$300.00

Worcester county \$400.00  
Franklin, Hampden and Hampshire county \$450.00  
Berkshire county \$500.00  
Martha's vineyard and Nantucket \$500.00 plus ferry both ways

Additional shows: limit 3 per day, same day and location \$250.00 for the second and third show you pay the full price for the first show.

Parking or other fees may be added (please note we have a large cargo van that does not fit in parking garages).

**Exhibits**  
**Static displays of live animals**

Exhibits can be outside or inside (if outside shade must be provided and reptiles can not be outside during winter months and are limited for travel from December to February because of weather).

We may need electricity for our microphone or other such as lights.

Exhibits are displays of live animals in easy venue cages with artifacts such as skeletons and skulls including graphics.

We include up to three 30 minute talks per day with the opportunity to meet up-close and personal birds of prey or reptiles. The public cannot touch a native bird of prey its illegal and not healthy for the bird, reptiles only if the presenter allows or conditions allow and this depends on the event.

Exhibits are no longer than 10 hours per day and prices are set by the day and there are no discounts for shorter days.

Space required 10' x 20' but we prefer 10' x 30'

**Massachusetts Prices for Exhibits 2019**  
(prices subject to change without notice)
