SUPPORT OUR
 BOUNDLESS
 PLAYGROUND

The South Seminole Optimist Club, The Advisory Board for the Disabled and the City of Altamonte Springs are aware that often disabled children can not enjoy the simple pleasure of going to a playground with friends and family due to physical obstacles.

*We want to correct this with your help.
 We sponsor and support the
 boundless playground at Eastmonte
 Park in Altamonte Springs.*

Help us bring joy to the faces of children who face countless struggles to do the simplest of things. You can be a hero to these children now, by taking part in this fundraiser to help the disabled children in our community.

Children need to experience play for their emotional and physical growth. Often, barriers exist that prevent our special needs children to have this normal, common experience that other children have every day.

Help us remove such barriers for these children by supporting a fully accessible play area at Eastmonte Park, in Altamonte Springs, the home of our Special Needs Programs.
