

Hye-Dot

(4" Non-Reflective Raised Pavement Marker)

The Hye-Dot offers a unique Sure-Grip feature assuring maximum stability. Manufactured with Hi-Gloss ABS for high durability and better scratch resistance.

The Hye-Dot holds up significantly longer than standard ceramics that chip easily. The Hye-Dot will retain its color even if it happens to scratch or chip, prolonging the life of our product.

Specifications:

Size - 4" Diameter x 3/4" (height)
