

Photo Release and Consent Form

Dear Parent(s) or Guardian(s),

As part of our STEM2YOUTH program, we often capture photos and videos of students engaging in activities and projects. These photos may be used on our website, social media platforms, and in other marketing materials to help showcase the exciting work your child is doing and to promote our program.

By signing below, you are granting STEM2YOUTH, a nonprofit organization, permission to use images and videos of your child in these materials. These images will be used exclusively for educational and promotional purposes. No personal information, such as your child's name or details about their participation, will be shared unless specifically noted.

If you have any concerns or would prefer your child's image not be used, please let us know, and we will respect your wishes.

Thank you for supporting STEM2YOUTH!

Sincerely,

STEM2YOUTH Team
