- Wait in your car until your class time. (a teacher will waive you in after the class is dismissed before yours)
- Parents of dancers ages 3-5 are asked to stay in their cars nearby the first few weeks to aid with social distancing if needed
- After class dancers will be dismissed through the glass doors

## Covid-19 Procautions

- Dancers will be asked to use hand sanitizer before entering and when leaving
- Marks will be placed on the floor to help with social distancing
- Young dancers props will be assigned for the year and cleaned regularly
- Bring a disposable water bottle from home (our water cooler is not available)
- Dancers please use the restroom at home before coming to class. Help us STOP the potty train.
- We will also be taking extra measures to clean and sanitize before and after every class
- Classes will dismiss 1 -3 minutes early to aid with cleaning

## Lobby

- Our Lobby will be closed as a waiting area, please stay in your car during class times
- Only one parent or guardian at a time in the lobby.
- Enter through the back door to make payments or ask questions during class

## Masks

- All instructors will be wearing masks.
- Parents and dancers age 7 and older are required to wear a mask inside the dance studio. (dancers will be allowed to remove the mask while dancing)
- Dancers 6 and under are encouraged to wear a mask.
- Our plan is to minimize the intensity of the classes so dancers can remain comfortable.
- We will continue to follow the CDC guidelines and make changes to this policy when we feel safe doing so. Our mask policy is to help protect everyone and theri families.
