### Other Precautions

- Dancers will be asked to use hand sanitizer before entering and when leaving
- Marks will be placed on the floor to help with social distancing
- Please bring a disposable water bottle from home (our water cooler will not be available)
- Dancers please use the restroom at home before coming to class
- We will also be taking extra measures to clean and sanitize before and after every class

### Lobby

- Our Lobby will be closed as a waiting area, please stay in your car during class times
- Only one parent or guardian will be allowed into the lobby at a time through the back door to make payments or ask questions

### Masks

- All instructors will be wearing masks
- Parents and dancers who enter our building are encouraged to wear a mask however it is not mandatory while dancing
- Our plan is to minimize the intensity of the classes so dancers can remain comfortable
- We will continue to follow the CDC guidelines and make changes to this policy when we feel safe doing so

### What if my dancer isn't ready?

- If for any reason you are not comfortable or confident in these safety measures, please keep your child home and take classes via ZOOM. The option to take any class on Zoom is available.

- Anyone with a dancer or family member that feels ill or has a fever
- Anyone living with an immunocompromised family member
