Standing up for student success!

## ⚡ PEA Flashpoints ⚡

On November 6, 2024, the bargaining team met with the district's team. We were able to address a long time concern through an MOU discussion about Special Education service tracking. The proposed MOU will be uploaded to the website. We also exchanged counters to Article 6 and Article 8, as shown below. We will meet again after the Thanksgiving break on December 10th.

### PEA Proposals

#### Article 8: Class Size

- **Keep our students safe with smaller PE class sizes**
- Cap the Special Education Preschool classes.
- **Maximum contacts at the junior high to match high school at 160 students**
- Increase pay for secondary class size overages
- **Balance school psychologists' work load involving initials, annuals, and triennials**

### PUSD Response

#### Article 6: Hours of Employment

- **NO money for giving up your protected prep to go to IEPs, 504s**
- No reduction in adjunct duty hours at secondary
- **No definition for the SPED Preschool workday**
