

THE FOCUS

May 2024

President's Corner

As we end the school year I want to thank you for your patience in understanding as I learn the Presidency role. In my first year I have been able to establish sustainable practices, transparent procedures and policies. I have established standing committees within PEA of Educators that have been historically underserved; PEA Dual Immersion Committee, PEA SpED Committee, and the PEA Community School Committee. In addition, I have been able to centralize communication and transparent record keeping of our associations spending. In addition, with the help of a committee updated much needed policies and procedures. We have strengthened our partnerships with our labor partners CSEA and other Educator Associations in Contra Costa. As an association we have taken an active role in CTA, NEA and the Contra Costa Labor Council. Over the summer I will take some time to rest and relax at my family's annual camping trip to MacArthur Burney Falls. Thereafter, I will spend the remainder of the Summer in intensive trainings in Los Angeles and will serve as one of the local delegates at the National Education Association Representative Assembly. Wishing you all a safe and relaxing Summer Break.

In Solidarity,
Celia Medina Owens
