Pittsburg Education Association's Special Education Committee Resolution on Special Education

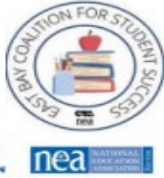

Whereas, Pittsburg Education Association Special Education professionals recognizes the unique challenges and needs of students requiring special education services; and

Whereas, it is essential to have dedicated representation and advocacy for special education within our school district and union to ensure that our students receive appropriate and effective educational support; and

Whereas, the establishment of a Pittsburg Education Association Special Education Committee will provide a focused platform for addressing these needs, facilitating better communication, policy development, and resource allocation;

Now, therefore, be it resolved, that a Pittsburg Education Association Special Education Committee be established within the school union with the following objectives:

1. Representation: To represent the interests and needs of special education students, parents, and educators within the school district.
2. Advocacy: To advocate for policies, resources, and practices that enhance the educational experience and outcomes for special education students.
3. Communication: To facilitate effective communication between special education stakeholders, including students, parents, educators, special education service providers and administrators.
4. Collaboration: To collaborate with other committees and departments within the school district to integrate special education needs into broader educational strategies and initiatives.
