CLEAN WISCONSIN ACTION FUND ENDORSES NIC CRAVILLION

Leading environmental group backs Cravillion's commitment to Wisconsin's natural resources

NEW FRANKEN, WI — The Clean Wisconsin Action Fund, a leading Wisconsin environmental advocacy organization, has announced its endorsement of Nic Cravillion in his campaign to represent the citizens of Wisconsin's First Senate District in the November general election.

"We appreciate your commitment to work toward policies that protect Wisconsin's precious environment and public health," Clean Wisconsin said in its letter of support endorsing Cravillion. "[T]he Clean Wisconsin Action Fund appreciates your commitment to clean water, clean air, and a healthy environment."

Cravillion currently serves as district director for State Senator André Jacque. A seventh-generation Wisconsinite and 15-year Army combat veteran who served in Afghanistan as part of Operation Enduring Freedom, Cravillion is also a small business owner who lives in New Franken with his wife Caitlin, a local REALTOR, and their two children.

"Growing up in Northeast Wisconsin, I learned early that our natural resources are part of both our way of life and our economy. As an avid sportsman, I understand the importance of clean water, healthy forests, and protecting the lands and waters that generations of Wisconsin families have enjoyed. Responsible stewardship also means recognizing the farmers, businesses, communities, and tourism economy that depend on these resources. I am grateful to the Clean Wisconsin Action Fund for their endorsement and look forward to working together where we share common ground on protecting Wisconsin's environment and public health."

The general election will be held Tuesday, November 3. To learn more about Nic Cravillion's campaign, visit www.NicforWI.com.

Wisconsin's First State Senate District includes Door and Kewaunee counties and portions of Brown, Calumet, Manitowoc, and Outagamie counties.
