

MEDICAL EVACUATIONS

NUMINA Jets operates with life-saving precision. Our dedicated medevac division deploys state-of-the-art aircraft, **fully equipped with intensive care units, and staffed by world-class medical teams.**

Every mission is executed with urgency, compassion, and discretion, ensuring that no matter where in the world a patient may be, they are only hours away from life-saving care.

**“For governments and institutions,
NUMINA is not only a service provider
— it is a strategic partner in
safeguarding lives, bringing global
expertise to local challenges..”**
