This 2022 contract is for breeding to the KFPS/FHANA registered Friesian stallion Wolfert 467 Sport, owned by Brookside Friesians LLC. Wolfert 467 Sport will be offering Fresh and Frozen Semen for the 2022 breeding season in the United States. This agreement is valid only for the 2022 breeding season. Mare owner and Brookside Friesians LLC agree to the following terms and conditions:

1) Brookside Friesians LLC manages the semen for the Friesian stallion known as Wolfert 467 Sport. KFPS registered mares shall have priority for semen from Wolfert 467 Sport. This agreement cannot be transferred or sold by the mare owner.

2) The fee for one breeding of semen for mare \_\_\_\_\_ is \$1500 in US funds . Live Foal Guarantee will be offered with fresh and frozen semen. If more than one pregnancy is obtained there will be an additional charge of \$1500 for each subsequent pregnancy obtained. All Terms and Conditions within Breeding Contract will apply to subsequent pregnancies.

- If the 2022 pregnancy does not result in a live foal, then the Live Foal Guarantee will apply. The Live Foal Guarantee can be given only when: All costs involving breeding have been paid in full at time of breeding. Should the Mare fail to conceive, abort, die or not produce a "Live Foal" (Live Foal shall be defined as a foal that stands and nurses without assistance for a period of at least 24 hours from the time of birth) then Brookside Friesians LLC will guarantee the Mare Owner shall have the right to rebreed or substitute a mare, with prior approval, for the 2023 breeding season only. Mare Owner shall notify Brookside Friesians LLC within thirty (30) days of the last day of Breeding Season if the Mare did not conceive to be eligible for a rebreed. Mare Owner shall also notify Brookside Friesians LLC within thirty (30) days of the Mare's abortion, should the Mare abort. If the Mare does not produce a Live Foal, then the Mare Owner shall provide Brookside Friesians LLC with a veterinarian's certificate stating the time and date of birth as well as the time and date of death and cause of death within seven (7) calendar days of such death. In the event that the mare dies, Mare Owner shall provide Brookside Friesians LLC with a veterinarian's certificate of death. - Friesians LLC.

2a) The fresh and/or frozen semen being offered for 2022 will be collected upon request. Frozen semen was collected by New England Breeders Service August 2020.

2b) There are 8 straws per dose as determined by New England Breeders Service after each collection. This is done by thawing one sample straw from each collection and analyzing the % motility of the thawed semen. Each dose shipped will contain the correct number of straws (hence the correct number of motile sperm upon thawing) required for one insemination.

3) If semen is used for a mare not provided in this agreement you must immediately inform Brookside Friesians LLC. An additional charge of \$1500 for each subsequent pregnancy will be due.

5) Requests for semen are to be made to Brookside Stallion Station. Brookside is open 5 days a week. Mare owner is responsible for all costs related to collection. Orders canceled after stallion has been collected will be billed in full.

6) Brookside Friesians LLC assumes no responsibility for the loss of semen or semen viability caused by the carrier (FedEx).

7) A fee of \$375 for Collection and Shipping within the USA will be charged to the mare owner as a separate charge for each shipment ordered. Please inquire for current shipping and permit costs, additional fees are applicable for shipping to Canada.

8) FOR ON-SITE BREEDINGS: Reproductive services are available at Brookside Friesians Stallion Station for a flat, all inclusive fee. Please contact BSF for breeding and boarding prices.

All guest mares must be vaccinated for Tetanus, Encephalomyelitis (Eastern and Western), Equine Influenza, Rhino, West Nile and Potomac Horse Fever and dewormed prior to arrival on farm. Recent coggins required. **Please note that a significantly overweight or underweight mare is difficult to get in foal. Therefore, it is recommended that mare owners address body weight issues prior to breeding their mares.**

10) Brookside Friesians LLC cannot be held responsible in any way for any illness or injury to a mare or to any other horse due to breeding to Wolfert 467 Sport, nor for a mare's failure to conceive. It is understood that the breeding farm, its employees, veterinarians, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The mare owner, whose horse(s) are under the care of the breeder, will not be liable or responsible for any damage, injury or death to the breeding farm employees, veterinarians, or other animals in the care of the breeder, whether or not caused by his horse. Under Massachusetts law an equine professional is not liable for an injury or the death of a participant in equine activities resulting from the inherent risks of equine activities.

11) Semen that is leftover from a successful pregnancy is **strictly prohibited** from being

resold. Semen that is found to be resold is subject to legal proceedings, including but not limited to all legal costs incurred by Brookside Friesians LLC.

12) Birth announcements for 2023 foals are to be recorded. You must inform Brookside Friesians LLC of your breeding dates and confirmed pregnancies. KFPS registered mares for 2023 foals are to be recorded on line via the KFPS website using your KFPS log in and Password.

13) The laws of the State of Massachusetts govern this contract. The parties each consent to jurisdiction in the State of Massachusetts and venue in any Federal or State court in Hampden County, Massachusetts, for any lawsuit arising out of this Agreement, and they waive any and all rights to contest such jurisdiction and venue, and any objection that such county is not convenient.

14) DEATH, UNFITNESS OR SALE OF THE STALLION. The fees paid or incurred under this Agreement are nonrefundable except as provided in this Section with respect to the death, unfitness or sale of the Stallion. If the Stallion should die, be sold by the Farm or otherwise become unfit for service before Brookside Friesians LLC makes any shipment of semen, then this Agreement shall automatically terminate and Brookside Friesians LLC shall refund to Purchaser all fees paid hereunder within forty-five (45) days. Brookside Friesians LLC will make every available effort to replace the semen order with another suitable stallion, if desired by the Purchaser. If another stallion is not available, the order will terminate and be refunded to Purchaser, if Purchaser has not received any semen prior. Should Purchaser be requesting semen within Live Foal Guarantee, semen can be replaced with any available stallion. Refunds will not be available if Purchaser has already received semen prior to Stallion becoming unavailable for any reason.

15) Mare owner acknowledges full agreement with this breeding contract by signing and returning this contract to Brookside Friesians. Mailed, faxed and emailed signed copies are all acceptable and binding.

16) All accounts are payable in U.S. dollars. Bounced check fee is \$35.00 per occurrence. Please fill out all mare and owner information and return this contract to Brookside Friesians LLC. Be sure to make a copy for your records.
