

# SHOW PROPOSAL GUIDELINES

## 95<sup>th</sup> SEASON 2024/25

The Theater Arts Committee of Footlighters is now accepting proposals for our 95<sup>th</sup> season. Submissions can be sent to [footlighterstheater@gmail.com](mailto:footlighterstheater@gmail.com)

Footlighters Theater usually puts on a combination of plays and musicals that span from September through May. Our goal at Footlighters is to produce great quality productions for both adults and children that love the arts. In addition, we would like to appeal to a broad audience and expand our memberships and audiences. We are committed to inclusion and diversity in our show selection and casting.

We look forward to your submission and thank you for your interest in directing a production at Footlighters Theater.

### **QUALIFICATIONS:**

- Directors must be at least 21 years old.
- Directors must submit a resume including directorial and other theatre related experience.
- Directors should assemble a production team and provide a fully formed artistic vision for each submission.
- Open auditions are required for every production. No roles may be precast without board approval.

**REHEARSAL GUIDELINE:** The theater has a very jam packed schedule due to the amount of productions we do. Directors should be flexible in scheduling rehearsals and list their rehearsal preference on their submission form. The rehearsal schedule will be finalized at the All Productions meeting in June.

**BUDGETING REQUIREMENTS:** Budgets will be contingent on each production's needs. When submitting for a show, you will be required to provide as much information for your production as you can, such as cast size, costuming requirements, set concepts, musicians, technical elements, etc....

**PRODUCTION TEAM GUIDELINES:** When submitting your proposal, please consider the production team required in order to put on a successful show. We ask that as many positions be filled as possible prior to submitting. All proposed musicals must have a director and music director attached prior to submitting. If your show is chosen as a final selection for the committee's proposal to the Board, then a full production team will be required to be in place at that time.

**The application Deadline is November 20.** Directors are able to submit up to five productions per season. The committee will review and conduct interviews with potential directors and will make their recommendation to the board. A final decision will be made in early 2024 and directors will be notified. Footlighters will choose the shows that best fit within our season as a whole. If not chosen this season, we encourage you to submit again next year!

Please follow the link below to submit no later than November 20.
