

REPLACEMENT MAILBOX GUIDELINES

July 2025

1. Home Depot: An Elite White Steel Medium Mailbox. The SKU # is #1008875690 and Vender # is E1100WAN priced at \$29.00.
2. Home Depot: A bag of Sakrete 60 lbs. concrete; SKU #666249 and Vendor # is 65200640 priced at \$6.00.
3. Home Depot: A 4 x 4 x 8 post treated lumber. SKU # 256276 and Vendor # 194354 priced at \$12.00. A 4 x 4 x 6 (if available) will complete the job and will be a little bit cheaper and save the time and trouble of cutting the post.
4. Home Depot: A Mayne DOVER 4x4 Decorative Poly White Mail Post. SKU # 1000698433 and Vendor # is 581000000 priced at \$113.00.
5. For the plaques, please call Whitehall Products directly (the web site won't help you). The number is 800-728-2164 and ask for Paul. The product numbers are 1611 OG and 1612 OG. The description signs address plaque bronze/gold for both sides of the mailbox. You'll provide the address numbers only. The cost is about \$125.00.
6. Home Depot offers independent contractors that customers can hire, you can hire a handyman / yardman or do-it-yourself. The price should be between \$100 - \$200 for installation.
7. The project should cost around \$285.00 without labor. Home Depot prices may vary from what are stated in these guidelines.
