The expansion to Possibility Playground in Port Washington's Upper Lake Park  
will be built by volunteers during the week of September 23 to 28, 2019.

Our group is working hard to raise funds for the addition—we are getting closer to our goal of \$250,000!  
Thank you for supporting Ozaukee County's No. 1 accessible playground.

Please visit [www.possibilityplayground.org](http://www.possibilityplayground.org) for more information or to volunteer for the upcoming build.
