Good morning, we are opening the O'Connor community pasture for larger livestock .. cattle,horses, sheep,goats.. Murillo fair grounds is opening their doors for animals as well if you would rather go there.. we are working with them to accommodate fowl,rabbits, horses ,cattle basically anything. If you don't have a ride for your critters and are uncertain your livestock are going to be safe please reach out before it's go time so it's not a complete disaster
Stay safe
