Nolalu's GRASSROOTS

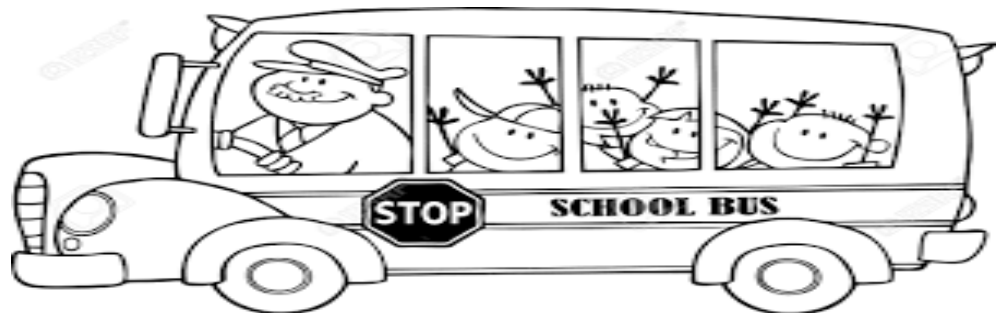

News & Events

It is that time of year again. If you haven't already been to a fair this year now is the time to get out and visit one. There is still time to check out what's going on in your neighbourhood.

Hymers Fall Fair is September 4 from 9am to 6pm and September 5 from 9:00am to 5:00pm at Hymers Fair Dr, Kakabeka Falls (Hymers)

Rural Heritage Days are happening on September 9 & 10, 2022 at 584 Hwy 130, Thunder Bay

September also means it is back to school time. Have you got all the supplies they will need for school. The older they get the more supplies they need. Don't forget backpacks and lunch kits. Make sure to involve your children in all the back to school preparations, you might be surprised by the ideas they have for lunches, clothing, carrying cases, etc.

Back to school also means buses will once again be running the roads. Watch out for little ones who may not be looking for traffic when crossing the road to their bus or home. Pay attention to flashing lights, when they are going you must stop even if you are on the other side of the highway. Be alert, stay safe.

Blast from the Past

Below are some excerpts from past Grassroots editions; 1993, 1979, 1988, 1989

- ◆ First annual Fish Derby was held in March 1993
- ◆ Joan & Rex Wilson were the founders of Grassroots
- ◆ White bread \$0.55, 500g of cottage cheese \$1.10 with a free Dixie cup in 1979
- ◆ Hayride for teens a success
- ◆ Carnival Queen—Aili Maki, Carnival Princess—Monica Aho & Diane Erickson
- ◆ Easter Bonnet Hat Winners—Funniest—Mel Danelley, Prettiest—Ricky Danelley, Most Original—Norine Batson
- ◆ Youth Club re-formed with 30 young people enrolled
- ◆ Oktoberfest—German style food, live entertainment, mini auction, dance
- ◆ KAM Theatre Lab presents "But I Plugged It In And Nothing Happened"
- ◆ Congratulations to Lorna & Gerald Annala on the birth of their daughter, Oct. 30/79
- ◆ Happy Anniversary to Gertie & Dave Parsons, Dec. 7/79
- ◆ Christmas tree decorating. Bring your handmade decoration to the NCC with your name and date on it so that it can be displayed on the community tree for years to come
- ◆ 40 acres with a 1 1/2 storey house, 3 bedrooms, sauna, & outbuildings, \$29,500.00
- ◆ Fox & Geese Game—In an open area, make a winding path with circles and loops. Path must end back where it began to form a huge loop. Make some flat "base" areas near the path. One person is the Fox the rest are the Geese. The Fox chases the Geese on the path only, and tries to catch one. When a Goose is caught they become the Fox. The "bases" are rest areas for the Geese. A Fox cannot catch a Goose while it is on a "base".
- ◆ Walk-a-thon set for 4.4 mile route
- ◆ NCC washroom renovations 1989
- ◆ Quilting course held Fall 1989
- ◆ 2 storey home with two baths, three bedrooms for \$62,500.00
- ◆ Mortgage papers for NCC burned on October 1, 1989. Mortgage began in 1979 and payments were \$1200.00 pre year
- ◆ Purchase of a photocopier for the Grassroots in 1979, made possible by the St. John Ambulance, Nolalu Division, donation of 700.00
- ◆ Congratulations to Brian & Karen Maki on the birth of their son
- ◆ Build your own home with a view of the mountains, on ten acres, \$5500.00
- ◆ Congratulations to Shawnya Lynne Thompson on the birth of your daughter
- ◆ Nolalu t-shirts for sale
- ◆ First annual Canada Day celebrations, with a parade, to be held July 1988
- ◆ Colouring contest winners: Thelma Neudorf 4years old, Leaf Watson & David McConnell 5years old, Emily Shandruck 7years old, Rain Watson & Tyler Doherty & Scotty Smith 8years old, Jacqueline Erickson 9years old, and Lee Ann Piilo 14years old
- ◆ Pig & Whistle on April 9, 1988
- ◆ Free basic knitting class, Mondays 10:00am to noon, at NCC
- ◆ Baby sitting registry is now active, call if you need a sitter

Nolalu Emergency Services Team Needs You

We are looking for up to 6 new members to join our team. We are especially looking for those who have their DZ licenses or are willing to obtain it.

What does that mean for you?

The reality is that without these new members response times may be **slower**, especially if we have to wait for a DZ licensed driver to drive the fire truck.

We pride ourselves on our, on average, 15-minute response time, and without the help of our community members we will not be able to sustain this response time.

What is required of you as a fire department member?

- ◆ Time to dedicate to training about 8 - 12 hours a month, held once a week on Tuesday – you must be able to commit to attending 60% of training
- ◆ Able to respond to calls which may happen at any time of the day or night
- ◆ Maintain a good standing in the community

What does Nolalu give you in return?

- ◆ Be part of a dynamic organization helping people and your community in times of need
- ◆ Valuable training as a fire fighter and first responder – traffic control, working at heights, CPR/AED, safe chain-saw use, D licensing, and many, many more.

What are the requirements to be a Volunteer firefighter?

- ◆ You must have a valid driver's license
- ◆ You must be able to pass a criminal background check
- ◆ You should be physically fit to carry out the duties of a firefighter, but don't let this deter you as we have jobs for everyone, and all skill levels.

It's easy to apply, come talk to us!

- ◆ Drop by the hall if you see the doors open.
- ◆ Speak to any member of the team who will put you in touch with the right person.
- ◆ Contact Sarah Shoemaker, Nolalu Fire Chief at 807-475-4441 or 807-708-3757

New member training will be starting in September.

Can't commit to the training, or have an injury that prevents you from joining? The NEST board meets the second Thursday of each month and are also in need of new board members.

This is a call out for all who love the Tough Boating Fish Derby. We need volunteers!!! Help with set up, weigh in, canteen, and runners to pick up prizes. If we can't find enough people to help out we will only be able to do a kids Derby once again for 2023. Contact Patrick with all your interests at Tritree@outlook.com

Currently we are seeking a volunteer coordinator for NCC events, a president of the NCC, and volunteers for various events. If you are interested in any of these positions or would like to volunteer for an event please contact us at one of the emails on page 3. Even if you just want some information before you decide, please drop us a line. Remember this is your community and you make it great.

Hymers Fall Fair

The first Fair in Hymers was held on **September 12, 1912**. Since then the current Fair grounds were purchased and many buildings added, but the true country spirit of that very first market still remains.

Intentionally there is **no beer garden and no midway** and to this day, the Fair remains uniquely country. The vision of the Fair is an on-going commitment to encourage an awareness of agriculture and to promote improvements in the life skills and quality of life of people.

The people in the rural area around Thunder Bay are still **proud of producing their own food and raising their own livestock**. They still like to compete with their neighbours when it comes to who can bake the best pumpkin pie or who has the nicest looking rooster...just like it was many years ago.

Adults \$10
Seniors \$5 (65+)
Children 6-12 \$5 or \$1 with a sunflower or zucchini
Children 5 & under: Free

Our t-shirt contest winner is **Hailey Simmons** with a unique design concept.

Congratulations!

T-shirts will be available soon, make sure to order yours. Details to follow.

If you don't have a will, your family won't have instructions to deal with your body or assets when you pass. As a result, they are more likely to fight after you pass away, and may become estranged. If there is a family fight over assets, your estate may be depleted during litigation.

Making a Will & Powers of Attorney will give loved ones of your choosing the legal authority to deal with your estate and assets according to your specific directions.

Let's secure your family's inheritance together"

Nolalu and Leeper Cemetery Update

The Nolalu and Leeper Cemetery Board held their annual meeting on Saturday, June 11th at 1:00 pm at Hopper's Variety.

Leeper Cemetery is now a registered cemetery with the Bereavement Authority of Ontario (BAO). The long and short explanation of this is that it is now protected land under the BAO as is the Nolalu Cemetery.

We are happy to announce that Arvo Kivi was the successful bidder for the lawn cutting contracts for both cemeteries. Thank you Arvo for your continued support.

The Nolalu Cemetery is need of some TLC. Lynda Piilo has offered to organize a work party to get some of the work done. If you have some spare time and would like to spend some time on the hill, please contact Lynda at 475-8787. She has the full list of what needs to be done. Thanks in advance for your volunteering and thank you Lynda for being so community spirited.

Thank You

Everyone had fun at our annual ice cream social, kids and adults alike. People in the community got a chance to pile on as many toppings as their bowls could handle, and the kids got to go crazy in the bouncy castle.

We at the NCC were so grateful to have such a good turnout of volunteers. Thank-you to all of them for coming out and making this event a big success. We even had some volunteers who traveled from a few thousand km away and took time to help out. Old and new, near and far, our volunteers are what make it all happen.

Apple Pancakes from Grassroots 1989

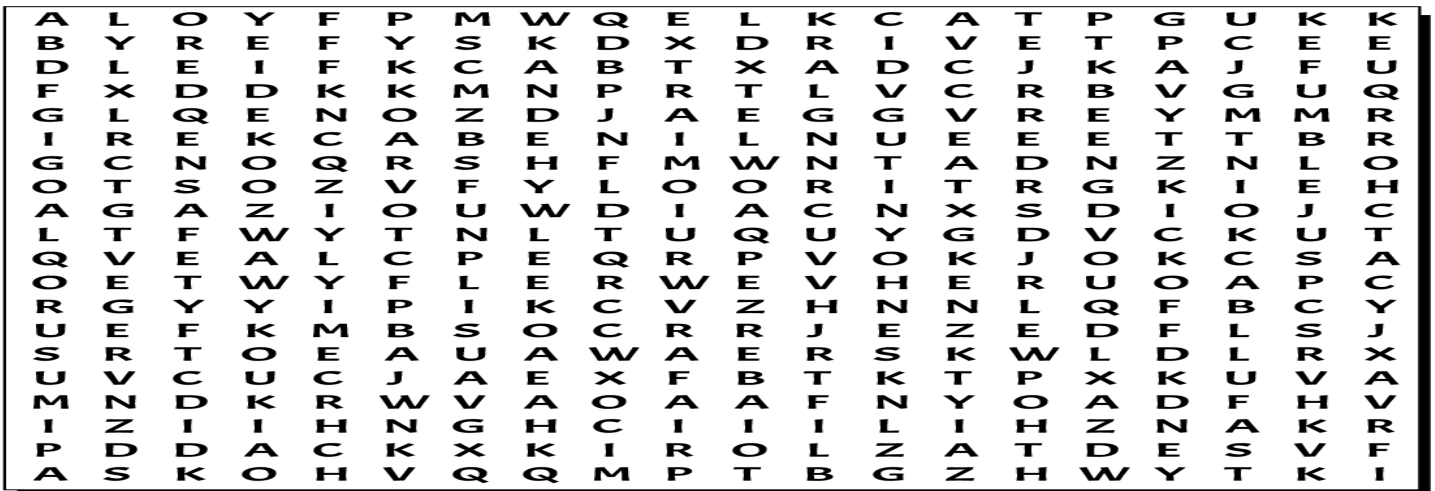

2 cups sifted all-purpose flour
2 tablespoons sugar
4 teaspoons baking powder
1 teaspoon salt
2 well beaten eggs yolks
2 cups milk
2 stiffly beaten egg whites
2 tablespoons butter, melted
1 cup finely chopped apples

© CanStockPhoto.com - csp73828528

Sift together all dry ingredients. Combine egg yolks & milk. Pour wet ingredients into dry ingredients and stir well. Stir in butter and apples. Fold in egg whites. Let stand a few minutes. Bake on a hot griddle using 1 soup ladle of batter for each pancake. Use a spoon to spread batter evenly. When done dot with butter, sprinkle with confectioners sugar. Roll up. Makes 12. Serve with maple syrup, bacon, orange juice, and coffee

From the Editor's Desk

First off I would like to begin by thanking everyone. Your positive response to the Grassroots has been wonderful. It is so nice to hear your feedback on what you like in the newsletter. Our little newsletter is now being read in Murillo and Thunder Bay, and they are loving it. It is great that people are sharing them, why not consider doing this with your copy. Good places to share them are your friends and relatives, at church, the doctors office, etc. By sharing them it lets more people know about our events, so hopefully we will have more in attendance, which will help the NCC in the end. If you have any suggestions for the Grassroots I would love to hear them. Tell me what you would like to read about, what interests you. I don't mind doing the research for anything that might be of interest.

This month we took a mini vacation to Moosonee. Our grandson loves trains so we thought it would be great for him to have his first train ride. The train leaves from Cochrane and it is a five hour trip to Moosonee. You can then look around the town for a few hours before the train heads back to Cochrane, or you could stay the night and take the train back another day. Our grandson loved it. He was so excited when we got to the train, talking non stop about pistons, wheels, tracks, couplings, and tenders. It was wonderful to see the world through his eyes and be fascinated with the train ride. Walking between the cars and looking out the open window was a special treat. We could only see mostly trees going by but he thought it was amazing. The train was packed going to Moosonee, with lots of people returning home. He had fun saying Hi to everyone he walked by on the way to the dining car. It was such a busy day for him though and he had a good long nap on the train ride back. We also stopped at the train museum in Kapuskasing. He got to walk through the train cars and see all the interesting history of trains. As well he was able to inspect the outside of the trains and see the couplings, wheels, and engine up close. We spent the nights in hotels which my grandson thought was great fun. Being able to watch TV and have supper on the bed was a treat, and he loved having all of us in one room. We were also able to visit with Rob's family in Hearst and Mattice, which was nice as we hadn't seen them in a long time. It was good to get away for a break, but always nice to come home too.

Harvesting Tips For Your Garden

Handle the produce carefully when picking or harvesting. Hold fruits and vegetables firmly but twist them off the stems or soil gently. Morning is the best time to harvest as water content in vegetables, fruits, and even flowers is still high. Don't harvest during the rain as this could cause damage and spread plant diseases.

Pick gently – When harvesting, grasp the veggie gently, but firmly. Ripe produce can easily bruise, which can lead to premature spoilage.

Snap cleanly – Some vegetable stems have a natural breaking point while others may rip or tear when the fruit is removed. Use scissors or a knife to make a clean cut. Damaging the plant can reduce future yields.

Step carefully – It's all too easy to step on vines when moving around the garden. This not only damages the plant, but it gives an entry point for disease. If you spot yellow leaves or rotting vegetables, remove them. No sense in letting the plant put forth energy into a plant or vegetable you won't be able to use.

Use a basket – Baskets prevent damage to the produce during harvest and transport. Low, long baskets are preferable for vegetable harvesting. Taller containers create a column of weight which can damage the produce at the bottom.

Check regularly – Warm weather and adequate rainfall helps veggies grow and reach maturity quickly. Check the garden on a daily basis to prevent vegetables from becoming overripe.

Garden harvesting info can often be found on the back of seed packets and plant tags. The description of the size and color of mature veggies as well as the "days to maturity" provides a harvesting guide to help gardeners decide when and how to harvest their veggies

Home Remedies or Old Wives Tales?

Eating Chocolate for Nausea

Eating chocolate might not be your first choice when you are feeling queasy, but it can help. The tannins in chocolate dry out your mouth, which helps to counteract the excess saliva production that happens when you are nauseous. This remedy is especially good for motion sickness.

Cure Athlete's Foot with Garlic

Athlete's foot causes a scaly rash that burns and stings. A compound in garlic called ajoene has antifungal properties that fight the cause of athlete's foot. Simply crush a few cloves of garlic and mix them with olive oil. Then, use a cotton ball to apply this mixture to the athlete's foot rash a few times a day until it clears up.

Try Lemon Juice for Earaches

Earaches can be very painful. Lemon juice has long been known for its antiseptic and antiviral properties, usually on the surface of the skin. However, it can also be used to cure an earache. Simply squeeze some lemon juice into a bowl and dip the end of a Q-tip into it. Gently roll the q-tip around in the ear (making sure to stay superficial so you don't puncture your eardrum), and the lemon juice will do the rest. The acidity in the lemon juice will help both destroy the bacteria causing the ear infection and rebalance the pH level in the ear.

Have a old fashioned remedy, drop me a line. I'll do the research and see what we come up with. Of course this by no means replaces going to a doctor for you medical needs, just curious what remedies used to be used before modern medicine.

Volunteers Needed

We need your help for our Halloween dance. It's a big party night and it takes many volunteers to make it all happen, please text Emma if you are available 519-410-8733.

Our spots are for 7pm to 10pm

And 10pm to 1am

We need people on cash

People with smart serve on bar

And people for set up at 6pm

And help cleaning up the next day

It takes a village.

Volunteers are what keeps the centre running and events are what make us a thriving community.
