RESERVE YOUR SPACE PRIOR TO February 25, 2019. All applicants/businesses must be agricultural or horticultural related in order to be accepted as an exhibitor in the 2019 Cherokee County Ag Expo. The Cherokee County Farm Bureau reserves the right to deny any applications that are not agricultural or horticultural related. Final decisions will be made on or before February 28, 2019.

Event set – up will begin at 2 PM on Friday, March 22, 2019. All booths need to be set up and ready for the public by 4 PM.

PLEASE BRING YOUR OWN TABLE(S) AND YOUR OWN TABLE COVERING(S). CHAIRS WILL BE PROVIDED BUT TABLES AND TABLE COVERS WILL NOT BE PROVIDED THIS YEAR.

*In years past we have had vendors setting up tall displays/shelves at the front sides of their booth thus blocking the booth next to them. No displays/shelves over 4' high on each side of the front part of your booth will be allowed so the booth next to you will not be blocked. You may have freestanding displays/shelves at the back of your booth over 4' high but NOTHING may be attached to the walls. Also there will be no displays, products or signs allowed outside your booth space as per the Cherokee Co. Fire Codes. We must keep all the aisles cleared for "traffic flow."

*If you will be providing food samples of your products you need to bring you own small trash container for the public to throw their discards into. This will help keep the facility clean.

*Remember you are responsible for cleaning up your booth space after the event is over. Throw all trash in one of the large trash containers that will be spaced around the room. Don't leave anything behind in your space--leave it as you found it--CLEAN.

Cost for 10' x 8' booth is \$30.00 for non-Farm Bureau members which will make you or your farm/business a Farm Bureau Member for one year, giving you the wonderful discounts available to all Georgia Farm Bureau members.

Cost for 10' x 8' booth is \$5.00 for existing Farm Bureau members.

Most of the membership money stays in our county to help fund all the agricultural projects the Cherokee County Farm Bureau provides for the children in our schools and helps to promote agriculture throughout Cherokee County.

Application, Payment and Copies of Current Licenses (if applicable) MUST be received in order for space reservation.

We have 30 10'x 8' booths available this year and they will be reserved on a first come first serve basis. No space will be reserved until payment is received by the Cherokee County Farm Bureau. **No walk-in exhibitors will be accepted the day of the event - ABSOLUTELY NO EXCEPTIONS.**
