

"Catering to all of life's special occasions"

Drop Off Menu

Thank you for your interest in using Eagle's Nest Catering for your event. Our management and staff are dedicated to making your event as stress free as possible. Eagle's Nest Catering strives to provide great food with excellent service. Let us handle the details, big and small. We know you will have a wonderful experience.

We have been providing catering services to the greater Edmonton area for over 20 years. We can cater at a hall with or without kitchen facilities and we can accommodate groups from 50 to 500, with appetizers, to full buffets or barbeques.

Our **Drop Off Menus** have specific amounts or portions listed so you can order adequately for your group. Please keep these considerations in mind and we can help you decide if you have questions. We are confident in our food portions, however once we have dropped off the order it is out of our control. Food safety is also of great importance to us, so please be aware that once we drop off your order, food safety is now your responsibility. Please ensure any leftovers are disposed of if not placed in a refrigerator immediately following the meal. Alberta Health Services recommends food that is left out more than 3 hours be thrown out.

All food pricing is on a per person basis. Disposable plates, cutlery and service utensils can be provided for an additional cost. All orders are subject to a delivery fee. Fees are based on the time to your location, the ease of delivery and the number of staff required to deliver. Orders must be placed by 11 am for next day delivery. You can pay by visa, Mastercard, or e-transfer. Your guarantee numbers can increase once given, but they cannot be decreased.

We have a minimum purchase of 250.00 for all food and beverage. We are more than happy to accommodate any food allergies and customize our drop off menus for you. Please note all food allergies must be discussed at the time of booking.

For more information on event planning services and rental items please view our Full-Service Banquet Menu. We look forward to helping you plan your event. Please contact one of our Catering Associates at (780) 449-6646 to discuss your event in detail.
