

22" Extension Piece for Mipole 360 Professional Poles

Ceiling Height	Extensions Needed
9'3" to 9'8" (2.82m to 2.95m)	Use 22" Extension only
9'8" to 10'1" (2.95m to 3.07m)	Use 22" Extension plus 6" Extension on top
10'1" to 10'6" (3.07m to 3.20m)	Use 22" Extension plus 12" Extension on top

Always ensure your pole is installed properly and securing before using. Do not extend above 10'6". At ceiling heights above 9'0" the stated weight ratings will be reduced. Refer to Installation Manual for additional details.
