OPHTHALMOLOGIST

RONALD L. ANDERSON, M.D., P.C.

DEAR VALUED PATIENT:

ANACOSTIA PROF. BLDG.
2041 Martin Luther King Ave.
Southeast, Suite #102
Washington, DC 20020
Telephone: 202-889-5700

It has been my honor to serve you and our wonderful community consistently for over 53 years. However, it's incumbent upon me to transition to serve our God, my family and the community in a more comprehensive manner which will require the closing of my Ophthalmic practice on September 1, 2025.

PHYSICIANS OFFICE BLDG.
106 Irving Street, Northwest
Suite #214 South Tower
Washington, DC. 20010
Telephone: 202-877-6944

I saw my last patient on March 31, and I have left my wonderful administrative staff, as well as the staff of Ophthalmologist and Optometrist to carry on since then. However, my staff will not be able to continue with your care or renew your prescriptions after September 1. Because enhancing your vision both physically and spiritually has been my ultimate pleasure in my service to God through the practice of Ophthalmology, I make this transition prayerfully and ask that you keep me and my family in prayer.

I have been blessed over the past 53 years to serve patients initially on Georgia Avenue in Northwest, DC and in my offices in the vastly underserved area East of the River, Anacostia section of Southeast DC, as well as my South Tower Office at MedStar Washington Hospital Center, Northwest DC for the past half century. As I transition to serve humanity and God in another calling, please know that I will continue to pray for you and your family, and I deeply care about your continuity of care.

In that spirit, I am recommending the following Ophthalmologists with whom I have a personal working relationship and highly respect professionally. Additionally, I can recommend these physicians knowing they have great integrity and whose care for patients I have observed throughout the decades.
