3. [If you are calling from Philadelphia County.](#)

## **FOR CALLING FROM OUT OF STATE:**

Hello,

My name is **[FIRST AND LAST NAME]**, and I'm reaching out to the Philadelphia Board of Elections from **[YOUR STATE]** to share my concerns regarding anomalies identified in election result data from the 2024 U.S. Presidential election in Philadelphia County.

### **[PICK ONE:]**

- The Election Truth Alliance (ETA), a non-partisan, non-profit organization, has undertaken independent analysis of 2024 election results from Philadelphia County and has identified patterns consistent with vote manipulation. Concerns raised by the ETA were recently corroborated by a leading U.S. expert in election forensics, Dr. Walter Mebane, Jr..
- As you know, Pennsylvania is a critical swing state, and what happens in Philadelphia's elections has a significant impact on the rest of the country. It is your responsibility to ensure that future elections in your county are run to the highest standard. That includes making sure that ballots are counted in a way that is fair, accurate, and transparent.

The American people deserve to have confidence in Philadelphia's election results.

I'm calling on the Philadelphia Board of Elections to work with the Pennsylvania Secretary of the Commonwealth to undertake a hand audit of paper voting records in Philadelphia County, and to take urgent action now to work with experts to ensure the security and integrity of the 2026 Midterms in Philadelphia.

Thank you,

**[NAME]**
