Profile

Glazed Ceramic Rectified Wall Tile

A discreet way to add texture to walls. Profile features a subtle stone background with elegant color shades and modern texture patterns. All in a format that's large enough to make an impact but still easy to handle.

- Color palette in soft tones gradually shading from Ivory to Graphite
- Solid surface plus two unique texture patterns
- Popular larger format wall tile
- Rectified glazed ceramic wall

Manitoba

Durabody® Glazed Ceramic Floor Tile

A beautiful wood look inspired by reclaimed wood, naturally marred by exposure to nature, with soft water stains and sun exposure. The beautifully aged wood is available in neutral whites and grays to rich brown.

- Broad color palette with whites, grays and browns
- Versatile 8"x24" wood plank
- Durabody® Ceramic floor tile made by Interceramic

Vintage Brick

Duratec™ Glazed Porcelain Rectified Floor Tile

Inspired by the eclectic nature of the famous Bricklane street in London. You can find the retro influence in the delicate textures and effect of flaking plaster.

- Warm color palette with white, beige red and olive
- Glazed porcelain in 3"x12" brick format
- Beautiful hexagon floor tile available in each color
