Technology behind the beauty

Guardia™ G3 Wear Layer

NexxaCore adds new surface protection for COSMOS and LANDS Collections

Features:

Ultra Scratch-Resistant Coating

Using proprietary coating technology for durable protection against stubborn scuffs, scratches and stains.

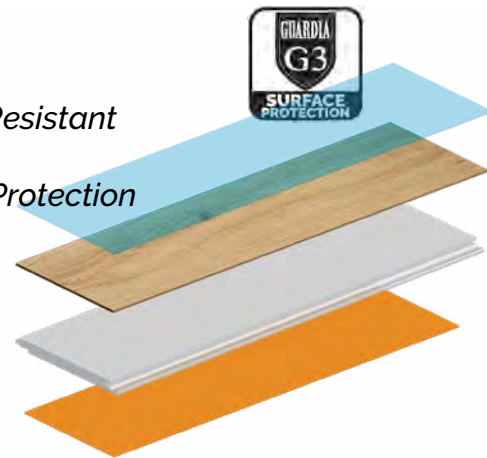

20 mil Commercial Wear Layer

0.5 mm thickness provides superior protection from everyday wear and tear

Built-in Anti-Microbial Safeguard

Helps protect flooring surface against growth of bacteria, mold, mildew and fungus. This protection will not wear off.

- *Ultra Scratch-Resistant*
- *20 mil (0.5 mm)*
- *Anti-Microbial Protection*
