

## 2024 Holiday Rugs by MILLIKEN

The **Milliken Seasonal Inspirations Collection** of holiday rugs celebrates the magic and joy, and captures the wonder and peace of the festive holiday season.

This year's collection features Milliken's **wildly popular Santa rugs**, designed by world-renowned holiday artists such as Ronnie Magee, and RJ McDonald. It also features brand-new **patterned rugs designed to coordinate** with the Santa rugs, or stand on their own with their bold and colorful designs.

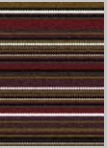

All rugs are made from 100% nylon fiber for **long wear, lasting beauty and easy maintenance.**

The Santa line is available in three standard sizes. The patterned coordinate rugs are designed to accommodate most living spaces and available in five designer sizes, including a 5'4" round option. See beside for size and scale.
