CALIFORNIA Brands Source

Your Connection to New, Creative and Quality Brands from California

Did you know that global brands **from California** such as *Apple, Google, Disney, Blue Diamond, Neutrogena, Oakley, Levis, Vans*, all have something in common? They all started as small companies selling locally in *California*.

California Brands Source provides reach to hundreds of California emerging brands in: health and beauty, food and beverage, California lifestyle, etc. and works strategically with E-retail and Retail companies to identify, evaluate and select *New, Creative and Quality* emerging brands.

SPEAKERS INCLUDE:

- *Dr. Stephen Andersen, Deputy Commercial Officer, U.S. Department of Commerce, U.S. Embassy, Thailand.*
- *Mr. Paul Authachinda, Business Development Manager, Paypal*
- *Mr. Lutz Behrendt, Business Director, Strategic Partnerships, Google, Thailand*
- *Mr. Jeffrey Williamson, Director, California State Trade Expansion Program*
- *Mr. Mark Matsumoto, President, Network International Exports, Inc.*
