Year 11 Mock Exams

A Word From The Principal

Dear parents and carers,

Our half term at Thomas Estley has been very busy, full of opportunities and achievements. This week we launched our Tier Two Thomas Estley Leadership Projects, together with this year's leadership passport to track and record leadership opportunities for all students. We are proud of our leadership offer and of its impact in growing young people who are confident, well prepared for adult life and ready to make a positive impact on their community. This year's leadership projects, which our students will be able to sign up to after half term, include: Reading Leaders/ Preschool Readers /Wellbeing Ambassadors / Musical Production Leaders / Language Leaders / New Teacher Recruitment Leaders /Eco Ambassadors / Year 11 Prom Committee / Sports Leaders / Primary Music Leaders / Diversity Ambassadors / Yearbook Creators (Y10/11) / High Performance Podcast / Primary Transition Leaders /Barrier to Learning Removers /Computer Technician Apprentice Leaders / Teacher Recruiters (facilitated by Mrs Young) / Fundraising Leaders. We would encourage all students to take part within an area of interest.

Meanwhile, we have been celebrating diversity and restating our commitment to including everyone, with no outsiders, during Black History Week this month. We heard from Mrs Briggs's friend, Mercy, about her experience growing up, as well as her job for Children in Need and her black activist experience. Subject areas in college celebrated contributions from the black community to their area, and our library showcased related books. This Friday we celebrated 'Show Racism the Red Card Day' together which promotes tolerance through football and emphasises that everyone should be included and respected, whatever their race or background. We are proud to celebrate differences together.

Please also take a look, whatever your child's age, at our careers page. Post-16 opportunities are ever evolving and it is really important to be aware of all the pathways available. This month we have been supporting year 11 to consider options, write their personal statement, take part in mock interviews, meet post- 16 providers and plan their next steps. This support, as well as one to one careers advice, is really important to ensure personalised and appropriate choices - we are also proud to have a really high rate of success at Thomas Estley in securing and retaining high quality post-16 placements.

Warmest wishes,

Mandi Collins

Mandi Collins, Principal

End of Last Term

We celebrated rewards day at Thomas Estley, with many of our students out on trips and some benefiting from an activity day onsite, including sporting and creative activities. Here are just a few examples of the creative work of those students onsite (below).

One of our Thomas Estley reading clubs enjoyed Flour Babies by Anne Fine and took part in a 'Flour Baby Challenge'. Students took responsibility well and showed great communication, empathy and organisation with their flour babies. Some pictures of the 'parents' and other childminders with their babies are above. Well done to Millie, voted best flour baby mum!

Millie was the winner of our Thomas Estley Girls in STEM competition, building this stunning car using resources provided by the British Motor Museum. Well done, Millie!

Our Thomas Estley PEPA faculty stars of the year were year 10 Ella and year 8 Ria. (Now year 11 and 9).

Ella is so deserving of this award. She is a prominent member of the department, student director of the annual production, co-lead of extra curricular dance and musical theatre club and production technician leader. For Ella, no job is too small or insignificant. She approaches every challenge with enthusiasm and is an inspiration to her peers.

Ria gives her all to the faculty. Hard working across the performing arts side of the faculty and an absolute superstar within PE. She has been part of the year 8 football team who were crowned U14 Leicester City Aspire champions and she is also the district and county 300m champion. A true all rounder who we are so proud of.

Well done to both girls for all that you do to make the faculty so successful!

End of Last Term

We found out which Thomas Estley students had the most character points for particular character traits this year and recognised their achievements together.

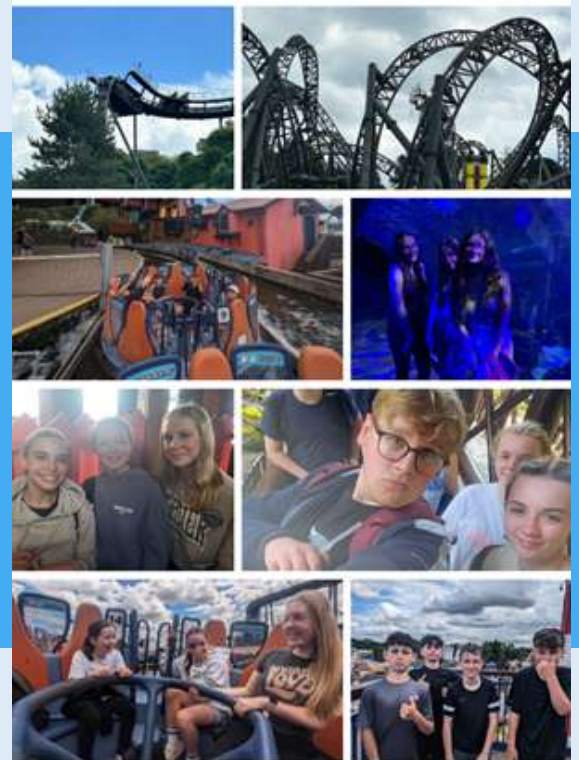

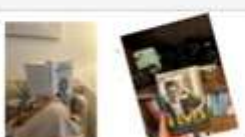

Students pictured here (left) had the most points for one of our character traits, be it kindness, courage, respect, perseverance or resilience, and some were even in the top 10 for both!

Well done everyone; we are so proud of you. You are fantastic role models for our college and our community.

Our Thomas Estley reading festival (below) was a great way to end the year and inspire our students to pick up a book over summer. Winners of 'Guess Who's Reading' were Miss Burnett's tutor group and well done to Mr Smith's tutor group for winning 'Guess How Many Pages'.

Added into last year's literacy menu of live author talks, world book day, reading club, young reporters, poetry competitions and young writers, we hope that we helped to inspire our young people to enjoy and engage in reading and writing.

Staff reading role models!

Students went on the Thomas Estley rewards trips to Alton Towers and Drayton Manor (above) - rewarding good attitude this with end of year fun together.

GCSE Results Day

SUCCESS 

THOMAS
ESTLEY
COMMUNITY
COLLEGE

Congratulations to all our 2023-24 year 11 students. We are very proud of your hard work and your character. It was great to see you all receiving your results back in August. We wish you all the very best as you have progressed onto your post-16 study programmes and apprenticeships. We miss you!

MAY YOU BE PROUD
OF THE WORK YOU DO
THE PERSON YOU ARE
AND THE DIFFERENCE
YOU MAKE

Huge congratulations go to 2023-24's highest achievers (below) who managed a set of fantastic grades including many grade 9s and 8s. We are very proud of your hard work and we know you will go on to shine in your chosen education and career paths. Well done to Max, Jasper, Zack, Indy, Isla, Dan, Ava, Jack, Leo, Kai and Mia.

We are very proud of our Thomas Estley students (above) who outperformed their targets by two or more GCSE grades in every subject they took on average, meaning that they made exceptional progress during their time with us. A fantastic achievement! Well done to Ned, Alicia, Jack, Hope, Isla, Daniel, Arlo, Ollie, Scarlett and Megan.

High Achievers

A huge congratulations to our maths achievers this term for their outstanding attitude to learning in maths – well done!

A very special congratulations to Kendall, Scarlett, Belle, Hollie and Freya (above) who are half term one's top achievers! Amazing!

Open College & TECC Exhibition

SUCCESS 

THOMAS
ESTLEY
COMMUNITY
COLLEGE

What an amazing open college week! We welcomed almost 600 visitors to our open college evening including a fantastic range of activities, a few pictured here and around 300 to daytime tours of the college to see 'business as usual'.

Thank you to our great staff, our courageous and kind students and to all the children and parents/carers who came to visit us. We hope to see you all again soon!

We welcomed our year 7s and their parents in to our year 7 tutor evening at Thomas Estley. It was a great chance to catch up with learning and opportunities and to find out how our newest students have been settling in.

A special thanks to our performing arts student leaders who performed on the night to display their skills and welcome our visitors.

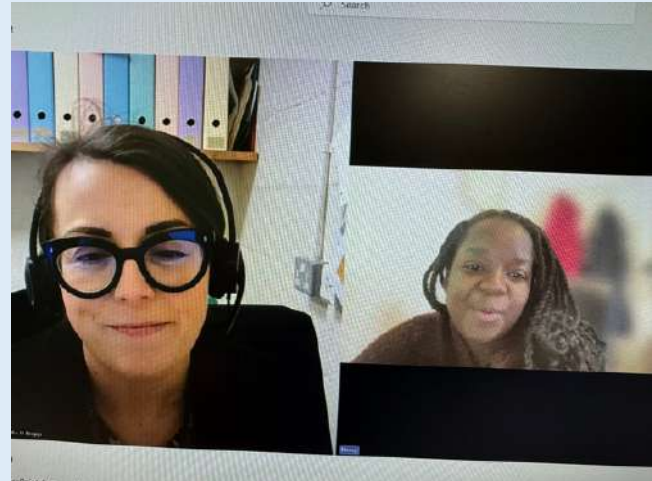

Celebrating Diversity

This month we have been celebrating Black History Month. At Thomas Estley we believe that everyone deserves respect and kindness, whatever their difference and whatever their background, and that all our differences and backgrounds should be celebrated.

We are proud to be supporting Black History Month. This year's theme is 'reclaiming the narrative' and we were really interested to hear from Mrs Briggs's friend Mercy, who is involved in BBC Children in Need community support. She shared her own experiences as a young black person and how they shaped her life, with all of our students.

Our subject faculties have also been celebrating the achievements of the black community within their subject areas this month and our library has been promoting a selection of relevant reading.

At Thomas Estley, we are Showing Racism the Red Card.

We are supporting this football led initiative in our intention not to tolerate racism in any form and fundraised on the last day of term through a non uniform day.

We aim to create a community of tolerance and respect, with no outsiders.

Careers

It was great to see so many students and families in attendance at our Thomas Estley year 11 careers fair. Our module days also support our year 11 students in making choices about pathways and knowing how best to apply for post-16 places. Lots of support is available across the next term too.

Thanks for coming, everyone - from post-16 providers to students and families.

Qualification	Description	Length of Time	Assessment	Level of Study	Award UCAS Points	Entry Requirements	Work Experience	What does it lead to?
Apprenticeships →	A real job with training and a salary	1 year minimum	Apprenticeship dependent (includes demonstrations, presentations and/or exams)	2/3 with the possibility to progress to higher and degree apprenticeships	No	Employer dependent Age 16+ Evidence of interest and ability to complete	Yes (paid job with at least 20% of the job training)	Higher level or degree Apprenticeship University/College Work
A Levels →	An academic qualification, similar in style to GCSEs that prepares you for further study	2 years	Mostly exams at the end of the course	3	Yes	For individual schools and colleges to decide (commonly 5 GCSEs at grade 4 and above)	No	Apprenticeship University/College Work
T Levels →	A technical study programme, equivalent to 3 A Levels, with an industry placement that makes up 20% of the course. T Levels are designed to give you the skills that employers need	2 years	Exams, projects and practical assignments	3	Yes	Set by each school / college	Yes (80% classroom, 20% work)	Apprenticeship University/College Work
Technical/Vocational →	Qualifications that teach you how to do tasks specifically related to the industry and role you want to be in	Course dependent	Course dependent (coursework and exams)	1+	Yes	Course dependent (coursework and exams)	Course dependent	Apprenticeship University/College Work
Applied →	Qualifications that prepare you for further study by combining academic learning with practical skills to give you a broad overview of working in a sector	Course dependent	Course dependent (coursework and exams)	3	Some (course and award organisation dependent)	Set by each school / college	Course dependent	Apprenticeship University/College Work
Traineeships →	A work focused study programme that prepares you for an apprenticeship or work	6 weeks - 6 months	A formal job or exit interview with written feedback. Coursework and exams are course dependent	N/A	Yes	Have little to no work experience and qualifies below Level 3	Yes	Apprenticeships Work
Entrepreneurship →	Setting up your own business, as either a freelance service, a registered company, or a sole trader	N/A	N/A	N/A	NO	Industry dependent	Recommended before setting up your own business	Self-employment Funded support for research and development Product or service development and collaborations

Attendance

What is EBSA?

Emotionally Based School Absence/Avoidance/Anxiety (EBSA) is a broad term that is used to describe children and young people who have difficulty attending school and may have long periods of absence caused by emotional distress.

EBSA is commonly associated with emotional and physical distress and an inability to attend school, which can then lead to further anxiety about school. It is not the same as truancy which is not usually linked to an emotional cause like anxiety.

EBSA isn't a new problem, but young people feeling anxious about going to school regularly, has increased significantly since the pandemic and lockdown.

Signs of EBSA

Your young person might complain of anxiety symptoms, butterflies in the tummy, pins and needles or nausea.

They might complain that they have abdominal pain, a headache or a sore throat often, with no physical signs of illness.

You may notice that these symptoms are better at weekends and holidays, but worse on Sunday evenings and weekday mornings.

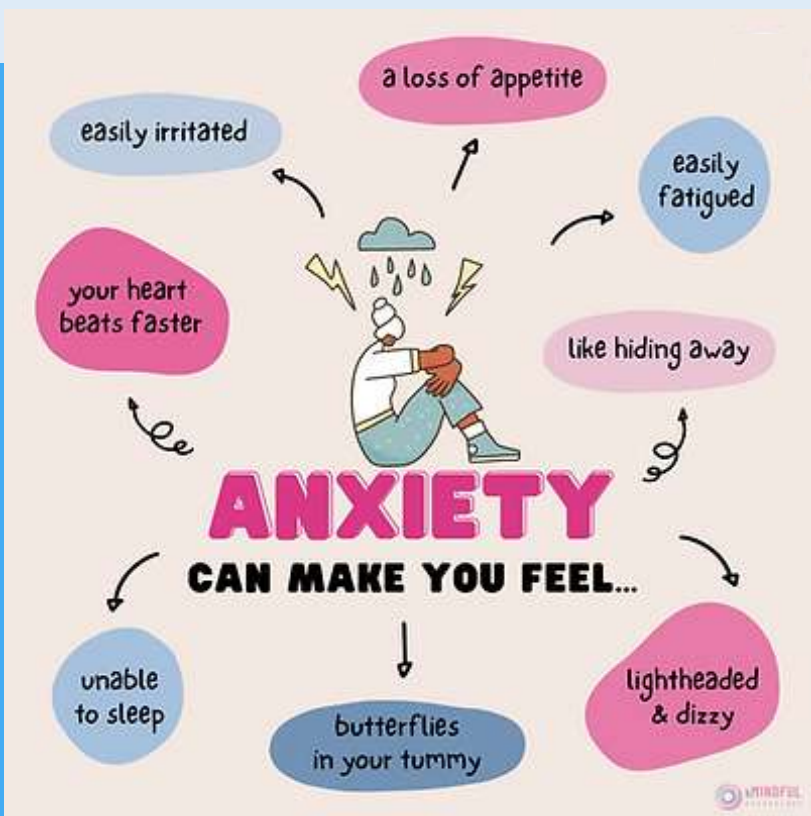

What Can I Do To Help?

Communicate with the school as soon as possible. Thomas Estley will work in partnership with you to address the issues and make a plan to support your child to attend school.

One of the key ways you can support your young person is by calmly listening to them and acknowledging their fears, because those fears are real to them. It is also important to reassure them that you and the school will work with them to make school a happier place for them.

Helping your child to understand that some anxiety is normal, how to recognise anxiety, how to cope with the uncomfortable feelings without avoiding them and teaching them by modelling this yourself, is how you can support them best.

It can be really hard to see your child unhappy. It's important that you have someone you can talk to about this - it could be a friend, family member or professional.

World Mental Health Day

SUCCESS 

THOMAS
ESTLEY
COMMUNITY
COLLEGE

Thomas Estley staff celebrated World Mental Health Day with 'Tea and Talk' and staff wellbeing care packs. Many thanks go to Miss Barthorpe who organised the event and to all the staff bakers.

Trips

As part of our year 7 local diversity module, students (above) visited our local church to understand how Christians worship within our local community.

Thank you to St Mary's, Broughton Astley, for hosting the visit.

We took 75 Thomas Estley year 11 historians (below) to Kenilworth Castle as a part of their GCSE course.

Students toured the castle ruins and identified key features and changes in use over time, all gearing up to their history exam next summer focusing on a local site.

The Oaks at Thomas Estley visited Lutterworth Fire Station to learn about fire safety, life skills and careers.

Students between year 7 and 11 were given a tour of the station, a lesson on the themes of the visit and a chance to experience what it's like to be a fireman.

Students found it interesting and thought provoking and engaged well.

Sport

Our first league fixtures were played away at Kibworth for our year 10 and 11 netball and boys football teams (right).

Year 10 boys were 7-3 winners with year 10 girls losing 21-14. Year 11 was the other way around, girls won 35-2, boys losing on penalties after clawing back from 4-1 down to draw 4-4.

Huge thanks to the parents who came over to support us. Also, a special thank you to netball volunteer Michelle who has yet again agreed to give freely of her time to support our girls. We really appreciate all that you do, Michelle.

A great evening of sport for our key stage three teams (left) in their opening matches of the season.

All 6 teams were victorious. Netball results: year 7 won 14-1, year 8 won 23-2, year 9 won 14-2. Boys football year 7 won 14-0, year 8 won 3-0 & year 9 won 3-2 to beat last year's county champions.

Huge thank you to the many parents who came along to support; it's much appreciated. Also to Alfie our year 9 boys football coach.

Our U12 boys and our U14 girls are through to the next round of the National Cup as both of their opponents pulled out.

Our U14 boys (right) met local opposition in South Wigston. South Wigston took the lead early on after a communication error at the back for us. It wasn't long before Ellis equalised and then Josh made it two shortly after. Izaak then converted his penalty after being brought down just before half time.

We couldn't extend our lead in the second half and when tiredness kicked in near the end South Wigston got a goal back. It wasn't enough though and our Tommo boys are safely through to the next round. Well done to Harry W, player of the match.

Sport

Our Thomas Estley year 8 & 9 netballers and 7 & 8 boys footballers travelled to Brockington for our league matches.

Both of our netball teams were comfortable winners, as were our year 7 footballers. Our year 8 footballers were 3-1 down, before pulling it back to 3-3 and taking the game to penalties.

Unfortunately, they lost 5-4 on penalties but should be so proud of their fight back. A player of the match performance for Jake (left).

We are so proud of our Thomas Estley U15 girls' footballers in their National Cup match up against last season's U14 county champions Market Bosworth.

A very close game that could have gone either way. Both teams having opportunities. Bosworth just edged it 1-0 converting from a corner halfway through the second half.

Well done girls, a great team performance. Player of the match going to Ria (right).

What a performance from our U13 girls footballers. Our second round match away at Coundon Court school was a great display of football. The girls were stunning across all areas of the pitch.

Ellie put on a superb display in defence, earning her joint player of the match with Willow who scored all four of our goals in a 4-1 win.

Well done girls, absolute superstars.

Our U13 Girls footballers played their first National Cup match against local rivals Lutterworth College. The girls looked stunning in their brand new kit, kindly sponsored by Godiva.

The girls did a great job despite the awful weather. Freya opened the scoring early on; Willow doubled our lead soon after. Lutterworth got one back though with a cracking shot from long range that went in off the underside of the cross bar. Freya made it 3 to give us some breathing space. Lutterworth didn't give up though and got a second just before half time.

Tommo came out fighting second half and Willow quickly got us our 4th, before Macie put her foot through the ball from just outside our penalty area to make it 5 with her great long range shot. Lutterworth claimed a 3rd before Willow rounded things up getting her hattrick on her Tommo debut and our 6th to claim the victory.

Player of the match went to Honey, who did a superb job marking Lutterworth's strong central midfielder. A brilliant match with a lovely atmosphere.

A fantastic display from our U14 girls' footballers in their first National Cup match against local rivals Countesthorpe. Talyia put us in the lead on two minutes with a great long range effort from inside our half and we didn't look back. Ria made it two soon after. We continued to dominate Ria adding a third before Lily then put two in to make it 5-0 to us at half time.

We shuffled around a bit and brought on the subs. Countesthorpe pulled one back with a long ball over the top before Lily finished things off with her hat trick. Final score 6-1.

Another player of the match performance for Ria (left) and a place in round three. Well done girls.

Sport

SUCCESS 

THOMAS
ESTLEY
COMMUNITY
COLLEGE

Our Thomas Estley year 11 girl netballers (left) were at Leicester Grammar School for the County Netball Tournament. Some great netball was played which included a draw with Ratcliffe College and a win against Leicester High School for Girls.

We were also able to look at potential GCSE practical scores for some of the girls, so a successful afternoon all round.

Well done to all the girls who showed great determination on a very wet afternoon. We are so proud of you all.

Credit to Anna (left) who put on a defensive masterclass earning her our player of the tournament.

This year the Blaby & Harborough year 7 netball has been decided by two tournaments where the top two teams from each will go into the district play off, rather than in previous years where the girls played league matches.

We were able to field an A and a B team against two teams from Kibworth and a Brockington team.

Some lovely netball was played from all five teams. Our B team notched up wins against Kibworth's B team and Brockington to finish third place overall.

Our A team won all four of their games to win the tournament and go into a play off semi-final match against the runner up in the other group after half term. Well done, girls.

Elsewhere in College...

Congratulations to Miss Wall and Miss Hall who have been accepted onto the prestigious Leadership Legacy Project by SSAT, the Schools, Students and Teachers network.

They will be part of an impressive group of future education leaders from across the country designated as SSAT Leadership Fellows.

Successful Leadership Fellows are all in their first 2-5 years of teaching and have already begun to show the potential to become outstanding school leaders.

Involvement in the programme demonstrates Thomas Estley Community College's commitment to developing the next generation of system leaders and we are excited to be involved.

Past graduates of the project at our college include Mrs Briggs and Miss Closier, who have already impacted positively on our college community. Well done to Miss Wall and Miss Hall!

Mr Serridge and Mr Curtis have been really impressed with the quality of work produced by year 7 during the first rotation. Year 7 have been busy making abstract and animal themed key tags.

Students sketch a range of ideas before selecting one to draw in computer aided design (CAD). The mould design produced in CAD is then sent to our laser cutter. Once the mould is assembled, molten pewter is poured in and quickly cools to form the shape of their key tag.

Finally students use a range of finishing techniques to produce a polished finish. Great work year 7s!

We were delighted to welcome around eighty teacher trainees (right) to Thomas Estley for expert led training workshops.

Wishing them the very best for their teacher training year.

Don't Forget!

In the event of the weather causing the school to close or causing a problem with school transport, we will put out an alert via Parent Mail.

If a student feels unwell at college, they must report to reception and ask to be seen in the medical room. If necessary, the college will phone home to seek advice or to ask for the student to be collected. Please remind your child that they must follow the procedure above and not contact you yourselves.

Thank you!

Headphones, Earbuds & AirPods

The use of headphones/earbuds/AirPods are only permitted outside of the college building. Any that are visible inside college will be confiscated and, on the first occasion, will be returned at the end of the day. On any subsequent occasion they must be collected by a parent/carer.

Absence During Term Time

If your child is too ill to attend college please contact reception on the first and each subsequent day of absence and leave a message on the 'absence line'. We will contact you by text message if we have not been given a reason for absence - please telephone us in response to the message.

Where possible, please make medical appointments outside of college hours.

Mobile Phones

Students are not allowed to use mobile phones in college unless they have express permission from a member of staff. This is to protect students' learning and social development and is in line with our safeguarding policy. This refers to any use anywhere on the college site, including break and lunchtime - phones should be 'not seen, not heard.'

Mobile phones used in contravention of the mobile phone policy will be confiscated until collected from reception by a parent/carer. For persistent abuse of the policy a student will lose the privilege of bringing a mobile to college.

College closes to students on Friday 18th October and reopens on Monday 28th October

Holidays Taken in Term Time

Government guidelines, which came into effect on 1st September 2013, prevent headteachers from granting any leave of absence during term time unless there are exceptional circumstances (a family holiday does not fall under this category).

If a student has an absence recorded as a result of an unauthorised family holiday, Leicestershire County Council will be advised of the matter and will be requested to issue a penalty notice, in line with their policy.

School Transport

If your child travels via school transport it is a good idea to have a contingency plan with them, for getting to school/home in the event that for any reason they miss their bus.

KS4 Awards

What a fantastic Key Stage 4 Awards evening as we recognised the great achievements of current year eleven students and year eleven leavers who had surpassed their targets and expectations through sheer hard work and perseverance.

You are all great role models of our Thomas Estley Way and it was such a privilege to hear your stories and achievements. We wish you the very best as you complete Key Stage 4 or enter your post-16 pathways. You are an inspiration to us all.

Art & Cooking Masterclass

SUCCESS 

THOMAS
ESTLEY
COMMUNITY
COLLEGE

We welcomed pupils from our six feeder schools for a masterclass in cooking and art. In art they were shown the process of printing, they all followed the instructions well, preparing the stencils to get the perfect print. They also experimented with the colours to make other colours; their knowledge was great. The skill and time they took produced some amazing stencil art work.

In the cooking session they learnt about the safety of using knives, learning the correct hold, plus practicing the claw and bridge hold for cutting. The skills they displayed were just brilliant and produced some delicious fruit kebabs.

A big thank you to the staff and primary transition leaders who made this masterclass a wonderful experience.

Out of School Club

Thomas Estley Out of School Club have been celebrating individual achievements. These have included 'star player', 'excellent communicator', 'talented illustrator', 'kind & friendly', 'creative', 'artistic', 'star giggler', 'talented footballer', 'star time teller', 'politest' and more...

Each winner (above) was given a certificate for their achievements. Well done!

A big well done to Seth (above) who received a Thomas Estley leadership award.

Seth has been a fantastic role model and leader for our out of school club younger children and shows all the signs of becoming a great future leader. We are very proud of him.

Mrs Collins, Principal, of Thomas Estley, gave the award.

During World Mental Health Day, our Thomas Estley primary out of school club were busy creating a 'how do I feel today' person with removable faces.

Each child designed four faces with different emotions to show how they are feeling and we had a group discussion about healthy bodies, healthy minds and what makes us happy and sad.

Outside Tommo

Madison and Imogen each attend four dance classes a week and also help in an additional four classes with younger children at Rochelle: The Dance School. They are each in five of their own dances and help in three additional dances (with the little children) for their dance show at Concordia Theatre, Hinckley.

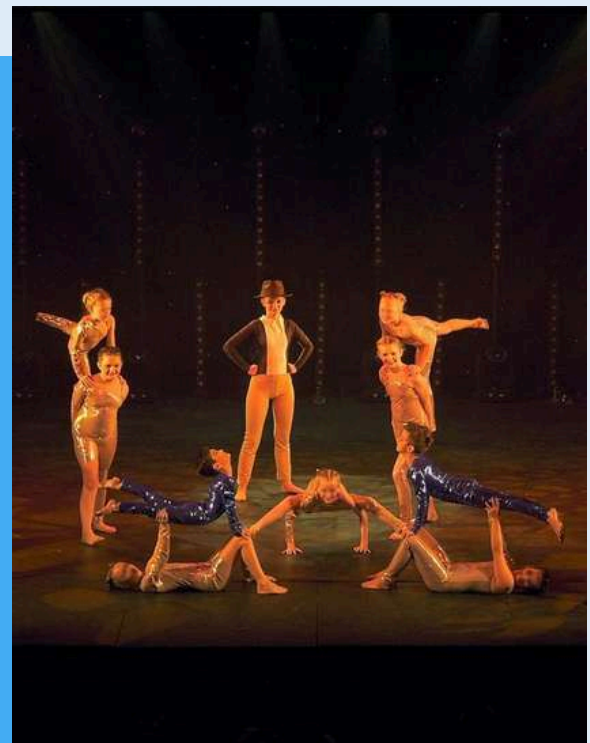

Imogen began helping in 2019 and Madison in 2021, they help with the smallest children who are just 2 years old and are brilliant with all of them! We are really proud of your leadership skills.

Honor-Faith is also a dance superstar and part of the acro dance 'Adventure' pictured below.

Well done to Lara (above) on her recent karate award. We are proud of her commitment and progress, demonstrating our Thomas Estley Way values.

Do you know of any student successes that we could share and celebrate?

**Please email your information, ideally with photographs, to:
PAtothePrincipal@thomasestley.org.uk**
