

2019-20 Year 9 Specialisms Afternoon Preferred Options Form

Name	Tutor group
-------------	--------------------

The skills for life and work, as described in the information leaflet, will be built into every Specialisms Afternoon course - particularly the focus on helping you to develop as independent and confident learners who can apply learning and thinking skills across the curriculum and begin to prepare yourselves for the world of work. However, you may have some particular areas of interest and so we will be operating an option system where you will indicate 3 of these below. If we feel you may benefit from studying one course in particular, we will discuss this with you.

Arts Award	
Dance	
Enterprise	
STEM	
Language Leaders	
Musical Performance	
Programming & Computing	
Sports Education	
Team Challenge	

Please fill in the boxes to the left, numbering them in order of preference: 1, 2 and 3

We will try our best to allocate you to one of your preferred courses, although we cannot guarantee this, depending on demand and staffing availability for each option.

Please also tick the three statements below that best describe you:

I am determined and always finish tasks	
I am a good team worker and an asset to a group	
Sometimes I enjoy working on my own	
I learn best by moving around and making things / being creative	
I enjoy helping and teaching other people	
I like to have a difficult challenge to tackle	
I like to have lots of help and support	
I like to solve difficult problems	

If you already have a good idea what career you'd like to pursue after leaving school, please write it here:
