

## 2024-2025 Wilson Elite Volleyball Club Sponsorship Form

Thank you for taking the time to consider sponsoring in our volleyball club! Our young ladies are extremely committed to become the best volleyball player they can be, and to maintain a high level of competition for our club to excel in tournaments. During the season (September – April) our teams, ranging from 13U – 17/18U, will be practicing then participating in several tournaments both in state and out of state. Sports play a very positive role in the development of young ladies. Every year club volleyball paves the way for many female athletes to gain invaluable experience concerning self-esteem, team play, and gives opportunities to be seen by college coaches for possible scholarship opportunities. Your sponsorship assists in paying for equipment, practice facility rental, coaches' salaries, tournament fees, and travel Expenses.
