

Folds of Honor South Texas is honored to announce OPERATION 231. Now more than ever, there is an increased demand for critical support of the Folds of Honor, and its singular, noble mission. Through this campaign, we hope to help bridge the financial gap to ensure all 231 legacy Folds of Honor recipients in South Texas continue to receive funding as they pursue their educational goals. These unprecedented times have resulted in the cancellation of some of our largest events, however, the need is great and our resolve as a generous community is stronger than ever! We hope you will consider joining Operation 231!

The campaign will run through December 15th, 2020 and aims to raise the funds necessary to provide educational scholarships to the 231 spouses and children of America's fallen and wounded service members from South Texas. In light of these unprecedented times, the Folds of Honor is seeing an increased demand for alternative fundraising efforts. Our organization's greatest asset is you, our proud wingmen and donors! Together, with the support of the community, Folds of Honor South Texas can continue to equip and educate our recipient families through the Operation 231 campaign. The 231 spouses and children who currently receive scholarships are "legacy recipients" and rely on generous donations made during this calendar year in order to continue receiving financial support during the next scholarship cycle. In 2019, Folds of Honor awarded 4,500 scholarships nationwide, 231 in South Texas alone. Please consider the life-changing gift of a scholarship to one of our 231 recipients. Each scholarship award is \$5000, however, every dollar helps and no gift is too small. Each dollar raised will help us achieve our \$1,155,000 goal for this calendar year.
