About the Event

Join us for a dazzling evening of dance, music, and community spirit at our local *Dancing with the Z Stars* event, benefiting Louisiana Cotillion Auxiliary. We are inviting premier local restaurants to showcase their signature tastes to an audience of over 300 attendees — including local leaders, influencers, and families.

The Louisiana Cotillion Auxiliary (LCA) is a nonprofit dedicated to youth development, character education, leadership, and community enrichment in the Zachary area and surrounding communities. Proceeds from Dancing with the Z Stars directly support programs that build confidence, courtesy, and civic pride in local youth.
