Presidents Report: Once again, we had a couple new members that were introduced and received a Sundowner pin. Shared with the members in attendance that the Board of directors met the prior Sunday at Oberg's bar to review the county contract. Good conversation and different opinions were shared, along with our Attorney who joined on speaker phone, and after approximately 1-hour the general consensus was that the club should sign the contract as written for this current season. Both parties are expected to sign the contract within 7-10 days. Also shared with the members the opportunity to purchase Sundowners Sweatshirts and had Treasurer Jim, collect names of membership who wished to order sundowner apparel. Briefly talked about nominations that will be voted on in coming months, and asked all members to briefly step outside and stand in front of our new groomer for an honorable club picture that all should be proud of. Report accepted
