

Dear Club Members,

At the meeting in October held @ Lakeview Campground:

We had 38 members present.

Presidents Report:

Lyle had a big thank you to everyone who helped out and participated in the golf outing, it was a huge success.

Asked everyone at the meeting, how can we get more members active in the fundraisers and activities we hold?

Received a thank you from the Edgerton Firemen's Festival for our donation.

Alliance report:

Eric asked that all trail bosses review the map to see if there are any changes to the trail before it goes to the printer.

If anyone is interested in receiving the Alliance newsletter by e-mail let Eric know.

The Sundowners will be hosting the November Alliance meeting, November 3rd @ the Towne Country Club beginning at 7:30. Everyone is invited to attend the Alliance meetings.

Trail Report:

Discussion took place about the bridge on Don Lund's property that goes to the north. There may be some boards that need to be replaced.

Gravel is needed at the bridge by the airport. (Thank you to Matt Clift, Ross Cantwell and Tom Kell, they have already gotten the gravel and got it in place.)

Shoes is working on a connector trail that could go from the golf course to Newville. Is anyone interested in helping with that? Give me or Eric a call and we can get you more information.

Charlie Rusch will talk with the landowner to see about finishing the trail from Lake Drive Rd. to Newville also. That would make a nice loop to our trail system.

It was suggested at the Alliance meeting that the stop signs be put in at roads as soon as possible.

Trail bosses should be getting in contact with landowners to make certain there will be no problems with the trail this season.

I am sure we will be out marking the trails before we know it. (I saw another club had already marked the trail along Hwy 59 going to Milton)

Old Business:

Sarah Anderson sold 318 raffle tickets for the golf outing. WOW, she gets her membership paid for and also received \$50.00.

I have can and bottle coolers if anyone is interested in them.

New Business:

A motion was made and accepted to donate \$200.00 to the Edgerton Conservation Club. They allow us to use their facilities without any charge to hold the snowmobile safety class there.

A motion was made and accepted to pay the memberships of any club member who was a hole sponsor for the golf outing. (There are a total of 19)

A question was asked about the radar runs for this year, are we going to hold it? It was suggested we look at dates now and advertise early and more than in the previous years.

We will be holding safety classes Dec. 6th, 7th and 9th from 6:00pm to 9:00pm @ the Edgerton Conservation club. If you have anyone interested in attending, call me, I have the registration list and we will only accept 40 students.

The club liability insurance is due; a motion was made and accepted to pay.

John Sayre's name was pulled; he was not present, \$50.00 for the next meeting.

The next meeting will be held at Creekview Par Three on November 4th, 2010 @ 7:30.

Sincerely, Jackie Kell, Secretary of Sundowners Snowmobile Club

Contact numbers:

President: Lyle Phillips 608-239-4159

Vice President: Mark Oswald 608-577-6908

Secretary: Jackie Kell 608-884-8516

Treasurer: Tom Hutchinson 608-752-9455

Activity Director: Jeff Bartz 608-884-9070

Trail Chairman: Eric Schmeling 608-289-0032

It is renewal time again for the 2010 – 2011 season. Let's keep our membership strong.
