

Dear Club Members,

At the meeting in December held @ Creekview Par 3:  
We had 50 members present.

Presidents Report:

Lyle asked if we wanted to do a poker run like last year for the club ride? Yes. He is working on all of the stops and where we will start on Saturday January 29<sup>th</sup>. I will let everyone know all of the details as soon as possible.

Alliance report:

The new maps are here and should be out in the boxes.

Check out the AWSC website, there is a lot of information on it that is very helpful and interesting.  
The economic impact study has been cancelled.

The next Alliance meeting will be held on January 5<sup>th</sup> @ the groomer shed in Clinton and will be hosted by the Clinton Fencehoppers. The meeting starts at 7:30 and everyone is invited to attend.

Trail Report:

Charlie Rusch had 1 landowner to talk with as of the meeting for the trail into Newville from Lake Drive Rd. Since the meeting the trail has been marked.

The trail from the golf course to Newville is also marked.

Steve Hanewall and Dave Kienbaum are to work on the trail from the golf course to Lake Drive Rd (By Johnny's Office).

If signs are needed get with Mark Oswald, he has some extras.

Snow fence has been bought and put up at the golf course to keep rider where they are suppose to be.

If you see a violator, try to get them to stop and get any information that can be obtained. It is the violator that gives snowmobilers a bad name.

Remember to turn all of your time sheets into Eric so it can get to the Alliance.

Thank you to everyone who goes out and spends your time (and gas) getting us trails and marking them. If it wasn't for volunteers we would not have the trails to ride on.

Old Business:

The tentative date for the radar run is January 22 at Tom Olson's on Willow Rd. Mike Shumaker is the chairman and is in charge of making the track and getting everything in order. Volunteers will be needed to help out that day so if you can help, you can give me a call and I will get the information to Mike.

New Business:

The club ride will be held on January 29<sup>th</sup> ending at Bob Morrison's hunting shack again this year. There will be food, beverages, a bon fire and fireworks again this year.

The sweatshirts are ordered and I will let everyone who ordered them when I get them. A motion was made and accepted to donate \$500.00 to the local gifts for kid's campaign this year. Our breakfast date and location has been changed this year, it was discussed to move the breakfast around from place to place. We will be hosting the breakfast yourselves this year and it will be held at the Red Baron in downtown Edgerton on February 26<sup>th</sup>. I will be the chairman of the event and will also be looking for volunteers.

Snowmobile safety class was held the early part of December with 37 students successfully completing the class. A great big THANK YOU goes out to our instructors for volunteering your time and teaching the students the importance of snowmobile safety. I would also like to thank Paul Reveres of Edgerton for giving a price break on pizzas for the last day of class.

I have raffle tickets from the AWSC that sell for \$2.00:
