

Dear Club Members,

The meeting in March was held @ the old clubhouse:
We had 37 members present.

A little bit of history and some B. S. was told about the old clubhouse and what use to go on there.

Presidents Report:

Thank you to anyone who helped with or participated in the breakfast. It was not successful, but a good time was had for the ones who were there. The food was really good.

Thank you to all who have volunteered to be on the emergency call list.

Alliance report:

There was not much of an alliance report.

Pull the trail signs before April 1st and flip the road signs by the 15th.

Map ads are being sold for next seasons map.

The next Alliance meeting will be held April 6th at the Milton VFW hosted by Lake Koshkonong. The meeting starts at 7:30 and everyone is invited to attend.

Trail Report:

While you are out pulling the trail signs, pick up any trash that may be there.

Take inventory of what you have or what you might need, before signs and posts need to be ordered.

Keep track of the time you put in and get that turned into Eric as soon as possible.

Does anyone need help pulling their section of trail?

If anyone has signs setting around or you know where there might be some, let someone know and we can come and get them. There have been many trail boss changes in the past and some of the signs may have been set aside and not passed on the current trail boss. The signs are a little pricey and we should get a good inventory of what is out there.

Trail Bosses, please get the exact count of landowners in your trail area, we need to purchase turkeys and need the amount. Call Eric or Jackie as soon as possible.

Old Business:

If anyone would like some stickers, come to a meeting or let me or Lyle know and we can get them to you.

Tim & Bill Weber went to a radar run where our gun was rented and had some ideas on possible things we could do at ours.

The shirts are here and I will have them at the next meeting for anyone who ordered them.

New Business:

A motion was made and accepted to purchase a first aid kit to have for all of our functions. It will have basic first aid items in it if we ever have to use it. At the radar run in January, there was a minor injury, and we had nothing to use to give aid. Now we will have it.

A motion was made and accepted to donate \$500.00 to the Vets Roll project, where World War 2 Veterans will get the opportunity to go to Washington DC to see various points of interest.
