

Dear Club Members,

The meeting in April was held @ Johnny's Office:
We had 25 members present.

Presidents Report:

Thank you to all of the trail bosses for taking care of the trails and signs.

The AWSC is in the process of receiving "Of the Year" awards. Look at the website and if you feel there is someone in the area that should be nominated for an award, fill out the required paperwork and get it turned into the AWSC office. The deadline is May 31 and the winners will be recognized at the fall workshop.

Alliance report:

There was not much of an alliance report.

Morris said any money collected from non-resident trail passes will go directly into the supplemental fund.

The CAP Program is on hold.

The landowner's checks are not yet available.

Trail Report:

The trails should be removed by now and same with the road signs being flipped.

If you have not turned your hours into Eric, please do so as soon as possible.

The Threshere Park wants us to move the trail to the west slightly. Trail boss, Craig, needs to meet with Charlie Rusch, he has more information.

Old Business:

A first aid kit will be ordered so it is available at our functions.

I still have shirts for a few members that had ordered them. I will have them at the next meeting. If you cannot make the meeting, give me a call to make other arrangements.

New Business:

The board of Directors will be going through the by-laws of the club and getting them up to date.

A discussion took place about the landowner turkeys that we have given in the past. It was stated that not all the landowners want a turkey and could we do something else this year? Club members will be looking into other options, such as gift cards, chamber bucks, and gas cards. If you are one of the club members that is to be looking for other options, make sure you bring the information with you to the next meeting.

A motion was made and accepted to hold our meetings year round.

A question was asked if it would be possible to make the route through Newville a designated snowmobile route. That has to go to the Fulton Town Board. It was also discussed about the route behind Hanewall's to make that a designated route. Casey Lund was going to see about getting it on the agenda for the city council meeting.

Elections were held and the results are as follows:

Secretary: Jackie Kell

Treasurer: Tom Hutchinson

Vice President: Mark Oswald

President: Lyle Phillips

Board Members:

Casey Lund, Sara Anderson, Ashley Kell, Tim Weber, Eric Schmeling and Matt Clift as alternate.

Appointed Positions:

Activity Directors: Jeff Bartz and Sara Anderson

Alliance representatives: Eric Schmeling and Mark Oswald

Trail Chairman: Eric Schmeling

Bob Houfe's name was pulled; he was not present, \$50.00 for the next meeting.

The next meeting will be held at Johnny's Office on May 5th at 7:30.

Sincerely, Jackie Kell,

Secretary of Sundowners Snowmobile Club
