

October 24th, 2012

DEAR CLUB MEMBERS:

The October meeting held at Junction Pub had 26 members present.

Secretary and Treasurer Reports read.

PRESIDENT REPORT:

Eric needs to appoint a club member to represent us at the Alliance meetings. Marcus M. volunteered to be a representative, as long as it was alright at home.

ALLIANCE REPORT;

The AWSC workshop will take place the last weekend of October in Stevens Point. Morris talked briefly on what happens at the workshops and everyone is invited to attend.

Once again the legislative committee will be working on the Step/Cap bill, but not until after the elections.

There will be no new maps printed this season since there are so many from last year.

The next Alliance meeting will be hosted by us @ Towne Country Club on November 7th @ 7:30.

All are welcome to attend.

TRAIL REPORT:

Levi Olson needs to know what is really needed for signs from the trail bosses. Now may be a good time to take inventory and get the information to Eric so he can get the signs and posts. Remember, we should be in contact with the landowners before putting in a trail. There has been a lot of winter wheat planted in fields that have never had it before.

Mark O. to talk to the landowner about the possibility of a trail into town from the south again.

OLD BUSINESS:

The sales of the raffle tickets at the golf outing is not as profitable as we would like. A few ideas were discussed for next year. There will be a committee set up to discuss the changes.

NEW BUSINESS:

The AWSC is once again offering club only raffle tickets. A motion was made and accepted to purchase 10 tickets @ \$10.00 each. If by chance our club wins, we can use the prize to raffle off at a function of ours.

200 club assistance raffle tickets will be ordered for anyone to purchase. For every ticket we sell for \$2.00 we get \$1.00 back from the AWSC. I believe 1st prize is a 2014 Ski-doo.

Club liability insurance is due at the end of November. A discussion took place to determine if we could get a better rate if we shopped around. Marcus M. offered to look around to see if there is something different.

Sarah asked if she could plan the December meeting at Coachman's again this year. That will not be a problem.

SNOWMOBILE SAFETY CLASS:

Classes will be held November 26th, 27th and 29th at the conservation club. Cost of the class is \$10.00 per student. All classes must be attended in order to pass.

Matt Reilly's name was pulled and he was not present, \$250.00 for the next meeting.

The next meeting will be held November 1st at Oberg's @7:30.

Sincerely,
Jackie Kell
Secretary of the Sundowners Snowmobile Club
