SCORING

We'll be using Northern Kings since scoring focuses on positive points which doesn't punish you for your units killed. **A true Florida Man doesn't care about what is lost, just winning!**

Players are ranked first by their Tournament Points and then their Kill Points will be used to decide ties. At the end of each game, report the results of your game to the TO using provided score sheet.

Tournament Points + Scenario Points = Total Score.

Kill Points for ties and bragging rights!

<i>Outcome</i>	<i>Tournament Points (TP)</i>
Win	15 pts
Draw	10 pts
Loss	5 pts

Scenario Points (SP)

Calculate the number of Scenario Points (SP) you scored from the scenario at the end of the game. Each scenario has its own way of scoring Victory Scenario Points (SP). These will be provided in your Mission Pack

<i>Points Removed from Play</i>	<i>Kill Points (KP)</i>
