You are invited to join us for an evening of Gospel music performed by Pastor James Gale and the Gahl Family Singers as you enjoy a light dinner. Attorney Karen Mueller will be speaking on her plans to pursue justice for those who died under suspicious circumstances in hospitals due to CMS protocols and at the hands of our government through mandatory experimental shots, given without informed consent. She will explain her plan to bring justice to those who planned and executed the “election steal of 2020.” Finally, she will inform you of her plans to reduce violent crimes while at the same time strengthening the Constitutional and Civil Rights, including the 2nd Amendments Rights, of “We the People.” She will unveil her policy directions for the Attorney General office that she intends to implement after she is elected. We will be ending the evening with a showing of 2000 Mules. Doors open at 4:30pm.
