

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Chippewa County Republican Party

Believes that . . .

Election Integrity is vital for our Constitutional Republic to survive.

- * Voters must show proof of identification.
- * Absentee balloting must be limited.
- * Election law violators must be prosecuted.

Freedom of Speech is essential to keep our liberty.

- * We have a right to express what we think through the written word, our non-verbal gestures, and our spoken language. Without this right America dies. Freedom of speech is the bedrock principle for keeping liberty.

Our Liberty is preserved through the Law

- * We are a nation that follows the law equally among all people.
- * The Constitution Matters.
- * Oath of Office Matters. Officials should be removed from office when they violate that oath.

We are One Nation Under God

- * God endows every person with the right to life, liberty, and the pursuit of happiness. Americans are indivisible. E Pluribus Unum (Out of many, One)
- * No man or state has the right to supersede these basic rights.

Every Individual, born or unborn has value and worth and has a Right to Life.

Values of truth, integrity, honesty, and morality are essential our freedoms, which the Chippewa County Republican Party strives to adhere to.

Conservatives MUST get involved in our communities! It is no longer an option to sit back and let someone else run things.
