CHILD – ONE-PROVIDER CPR AED

Student Name _____ Class Date _____

You are a trained CPR AED provider responding to an emergency alert for a child passed out on the playground. As you approach the scene, you see an untrained coworker kneeling next to a motionless child lying on the ground. The bystander says, “He was just kicking the soccer ball around and collapsed. He’s only seven!” You have appropriate PPE. There is an AED nearby. You have a CPR mask with a one-way valve with your first aid kit. Demonstrate what actions you would take next.
