

Screening Checklist for Contraindications to Vaccines for Adults

Patient Name: _____

Date of Birth: ____/____/____

For Patients The following question will help us determine which vaccines you may be given today. If you answer "yes" to any questions, it does not necessarily mean you should not be vaccinated. It just means additional questions must be asked. If a question is not clear, please ask your healthcare provider to explain it.

Did You Bring your Immunization record card with you? Yes No

It is important for you to have a personal record of your vaccinations. If you don't have a personal record, ask your healthcare provider to give you one. Keep this record in a safe place and bring it with you every time you seek medical care. Make sure your health care provider records all your vaccinations on it
