# COMPANY OVERVIEW

## About Us – Excellence in Global Trade

At Sun Global General Trading, we empower international trade with tailored solutions across diverse industries. Backed by deep market expertise and a strong global network, we strive to be the trusted partner for businesses looking to grow in Dubai and beyond.

### Our Strengths:

**Industry Expertise** – Proven experience across multiple sectors.

**Global Network** – Seamless trade connections worldwide.

**Quality Commitment** – Excellence in every detail.

**Strategic Market Presence** – Insight-driven support in competitive regions.

## → Our Vision

To be a leading force in global trade by seamlessly connecting businesses across industries, bridging markets, and empowering growth through innovation, reliability, and strategic partnerships.

## → Our Mission

At Sun Global General Trading, our mission is to empower businesses of all sizes with tailored trade solutions, expert guidance, and unmatched service across sectors such as oil & gas, auto parts, electronics, food, and logistics. We are committed to delivering value, building long-term relationships, and supporting our partners with the tools and insights they need to succeed in today's dynamic global marketplace.

# OUR MISSION & VISION

# OUR SERVICES

## Oil & Gas

We deliver unmatched expertise and solutions in the oil & gas sector, enabling efficient trade and global expansion.

## Electronics

Stay ahead with our range of high-quality electronics—from innovative gadgets to essential components for today's tech-driven market.

## Automobile Parts

A leading player in the global auto parts market, we provide original and replacement parts for major automotive brands. Strategically positioned to serve Africa, the Americas, Asia, and Europe

## Electricals

Offering reliable electrical solutions such as cables, lighting, wiring accessories, and control systems that ensure high performance and durability

## **Generator Spares**

We supply both genuine and aftermarket generator parts including filters, alternators, and control units—delivered promptly at competitive prices.

## **Foodstuff**

Sun Global Trading supplies high-quality food products, including grains, dairy, meat, seafood, beverages, and processed foods — all meeting international standards

## **Customs Clearance**

Ensure fast and smooth clearance at international borders with our expert documentation and compliance services.

## **Supply Chain Management**

Comprehensive solutions from procurement and warehousing to logistics and delivery, optimizing operations and reducing costs.

## **Fruits & Vegetables**

Fresh and organic produce sourced from trusted suppliers to ensure quality and shelf-life.

# OUR HISTORY

Sun Global General Trading has been a trusted partner in international trade. From humble beginnings, we have evolved into a major player in the industry, championing growth and economic development across regions.

# OUR NETWORK

We proudly work with a diverse community of businesses and professionals spanning multiple industries and continents. Our growing network is a testament to our reputation and commitment to mutual success.

### **Global Reach**

Serving businesses in over 30 countries across various continents.

### **Strategic Hubs**

Logistics hubs located in key global cities to ensure timely deliveries.

# GLOBAL NETWORK & COVERAGE

At Sun Global General Trading, our extensive global network connects suppliers, manufacturers, and clients across key markets in the Middle East, Africa, Asia, Europe, and the Americas. This international reach enables us to deliver timely solutions, adapt to market demands, and support seamless cross-border trade. Our strategic presence in Dubai—one of the world's leading trade hubs—strengthens our ability to serve clients efficiently, no matter where they are located.
