

HOBOKEN UNITED

FALL NEWSLETTER

Welcome to October- it's hard to believe that we are almost at the mid-point of the Fall Season! The weather hasn't been the most cooperative for our first few weeks of games and practices, but we appreciate everyone's support and flexibility as we worked through issues. We are so proud of all of the teams - we've seen a lot of great games and look forward to a strong finish to the season. Good luck to all of the teams who are kicking off their NCSA Cup experience this fall!
